Dear Wildcat Parents,

As the holiday season approaches, several of our Justus-Tiawah classes have indicated that they would like to adopt angels for Christmas. We want to take care of the needs of our Justus-Tiawah families first, so if your family is having a tough time during this holiday season and could use some assistance, we would invite you to participate in our 19th Annual Justus-Tiawah Angel Tree. It is our goal to serve those families who have needs but may not qualify for assistance through other programs such as DHS or the Salvation Army; therefore, if you have already signed up to participate in another program, we respectfully ask that you not participate in both.

Our program works as follows:

This program is for current Justus-Tiawah students and their younger siblings.
If your family needs assistance please complete the form on the back of this letter and return it in a confidential envelope to Mrs. Clifton at the north campus. We will carefully protect the identity of those families who are participating. We will need to have those forms returned to us by Friday, November 14th.

If you would like to adopt an angel, they will be available in the office beginning Tuesday, November 18th for you to pick up. We ask that you return the unwrapped donated items to the office by Monday, December 15th.

The office will contact participating families to schedule a time to pick up the items donated on either Thursday, December 18th or Friday, December 19th. We hope that our school community will be blessed by this endeavor. Thank you for your consideration of the project.

Sincerely,

Dr. Boothe
