Our Commitment to Military Students

Enrollment Support:

● Families are able to reach out to our site for assistance prior to moving to Lawton/Fort
Sill. We will guide them through the enrollment process, collect information about the student/family, and help develop a support plan to assist them when they arrive.

● We also support families that may be preparing to PCS or undergo a compassionate reassignment as our site houses a Special Education program.

● We work with Military Liaisons to ensure families have a smooth transition to or from our
school.

● Families are provided with important contact information and a list of available resources
available through our site, district, and local community.

First Days Support:

● We ensure a warm welcome to all new families and students from the moment they enter the office the first time.

● Each family is given a welcome packet with a map of the building/classrooms and available resources.

● We provide a guided school tour to help acclimate and answer questions/address concerns.

● We do a school-wide introduction and Longhorn Welcome during ET time the first day a
student attends school.

● Classroom teachers provide a buddy to support new students as they transition to our
building.

Our Commitment to Military Students

Counselor Support:

- Personal visit with student(s) and/or family during the first week of attendance.
- Assists with deployments and moves.
- Military Family Life Counselor information is provided to the family.

Special Celebrations:

- April is the Month of the Military Child and is celebrated each year. Students/staff wear purple and participate in various activities or events throughout the month to raise awareness and provide support.
- We conduct a Military Child ice cream social to connect with our military families.
- Veteran's Day and Memorial Day recognition both through school activities and social media.
