

Third Grade

27 - 30 October 2026

MATH FOCUS

OBJECTIVES:

- Demonstrate fluency with multiplication facts using factors up to 10.
- Identify, represent, and apply the number properties (commutative, identity, and associative properties) of addition and multiplication using models and manipulatives to solve problems.

VOCABULARY:

- Factor: A number being multiplied. In $2 \times 3 = 6$, 2 and 3 are factors.
- Product: The answer to a multiplication problem. In $2 \times 3 = 6$, the product is 6.
- Associative Property of Addition: The sum remains the same regardless of how the addends are grouped. Example: $(a + b) + c = a + (b + c)$.
- Associative Property of Multiplication: The product remains the same regardless of how the factors are grouped. Example: $(a \times b) \times c = a \times (b \times c)$.
- Commutative Property of Addition: Numbers may be added in any order. Example: $a + b = b + a$.
- Commutative Property of Multiplication: Numbers may be multiplied in any order. Example: $a \times b = b \times a$.
- Identity Property of Addition: The sum of any number and 0 is that number.
- Identity Property of Multiplication: The product of any number and 1 is that number.

ELA FOCUS

OBJECTIVES:

- Students will determine whether a grade-level literary text is narrated in first- or third-person point of view.
- Students will find examples of literary elements: setting; plot; characters; characterization.

VOCABULARY:

- First-Person Point of View: Tells the reader what the writer or narrator is thinking and feeling.
- Narrator: The person or character telling the story.
- Point of View: Who is telling the story.
- Third-Person Point of View: A narrator outside the story who knows the thoughts and feelings of other characters.
- Alliteration: Words with the same beginning sound used to direct attention.
- Hyperbole: Deliberate and extreme exaggeration.
- Literary Device: Expressions authors use to add meaning to their work.
- Onomatopoeia: Words that imitate the sounds they describe.
- Personification: Giving human thoughts, feelings, or characteristics to nonhuman things.
- Simile: A comparison of two unlike things using like or as.

SPELLING AND WORD STUDY FOCUS:

Vowel Digraphs
ee, ea, ai, ay, ow, oa

SPELLING WORDS

1. owner
2. peaches
3. asleep
4. display
5. shadow
6. dream
7. braided
8. charcoal
9. agree
10. maintain

Challenge Words

- tomorrow
- freedom
- entertain

HIGH FREQUENCY WORDS

voice
south

Oct. 26-30: Red Ribbon Week
Oct. 30: Fall Parties
Nov. 5: Veterans Day Program

Reminder: Please remember to check the Rooms App regularly.
