

Good morning, kindergarten families! ☀️❄️

Due to road conditions, we will be going virtual on Friday, January 30.

Below are your child's virtual learning tasks for the day:

📖 ELA: Weather Reporter

Your child will pretend to be a weather reporter for the day!

✏️ Directions for Kids:

- 1 Look outside or talk about today's weather.
- 2 Choose a weather word (sunny, cloudy, rainy, snowy, windy).
- 3 Write one sentence about the weather.
- 4 Draw a picture to match your sentence.

★ Sentence Starters

- It is _____ today.
- The weather is _____.

★ Example:

It is snowy today.

☀️ Sight Words to Practice:

the, to, is, see

1 2 3 4 Math: Count, Build, & Write (1–20)

What to Do:

- Have your child count objects (toys, cereal, blocks, socks, etc.) up to 20.
- Say each number out loud while counting.
- Build a group of 10, then add more to make 20.
- Write the numbers 1–20 on paper or in the snow.

★ Extra Challenge (Optional):

- Show two groups that make 20 (example: 12 and 8).
- Draw a picture of 20 objects.

Skills:

Counting, number writing, one-to-one correspondence

📷 If you'd like, please send pictures of your child's work on Rooms. I love seeing their learning at home!

Stay safe and warm!

Good morning, kindergarten families! ☀️❄️

Due to road conditions, we'll be switching to virtual learning on January 29.

📖 Read & Write: CVC Sentences

Sight Words

the, a, on, is

CVC Words

pig, fox, cat, fan, man, sat, mat

✏️ Directions for Kids

- 1 Read the words.
- 2 Choose words from the boxes.
- 3 Write 3 sentences.
- 4 Draw a picture for each sentence (optional but fun!).

📝 Sentence Starters (to help beginners)

- The _____ sat on the _____.
- A _____ is on the _____.
- The _____ is a _____.

★ Example Sentences (for modeling)

- The cat sat on the mat.
- A pig is on the mat.
- The man has a fan.

1 2
3 4 Math: Count & Match

What to do:

Grab a handful of small objects (toys, cereal, socks, coins).

Have your child count them out loud.

Say a number and ask them to show that many items.

Skills: Counting, one-to-one correspondence

📷 **Picture day has been rescheduled for March 30th**

We miss seeing your kiddos! Stay safe and warm ❤️🤗

Kindergarten Virtual Work 1/28/26

Below are your child's virtual assignments for the day:

ELA: Alphabet Scavenger Hunt

Search around your home (or outdoors!) for objects that begin with each letter of the alphabet. You can take a picture of each object and have your child label it with a sticky note or paper showing the starting letter.

Math: AB Patterns

Create different AB patterns using objects you find around the room. Have your child explain what makes each pattern an AB pattern.

Our main goal: keep learning fun, low-stress, and cozy!

Thank you so much for all you do to support learning at home—we truly appreciate you. ❤️
Feel free to send pictures if you'd like; we love seeing their smiles!

Kindergarten

Below are the virtual learning assignments for our kindergarten students on January 27th:

ELA – Story Time Fun

Read a favorite story together (or listen to one being read). After the story, ask your child:

- Who was the story about?
- Where did it happen?
- What was their favorite part?

Your child can draw a picture of their favorite part and, if they'd like, try labeling it with one word.

Math – Counting Adventure

Go on a counting hunt around the house or outside in the snow! Have your child count objects up to 20 (toys, snacks, steps, snowballs, etc.) and say the numbers out loud.

Kindergarten

- Reading: Students will practice writing their first and last name, either on paper or in the snow.
- Math: Students will practice writing their numbers 1–20, either on paper or in the snow.

If students complete the activity in the snow, families will be asked to take a picture and submit it on Rooms. If completed on paper, the work will be sent back with the student when we return to school.
