2nd Grade Weekly Newsletter

Week of: November 9th

Literacy

Objective:

- Students will encode and decode vowel digraphs with the long a sound
- Students will identify elements of fiction and nonfiction texts

Vocabulary:

- vowel digraph — two vowels side by side represent one sound
- fiction — text that is invented or untrue
- genre — category used to classify literary and other works, usually by form, technique, or content
- nonfiction — text that is based on real facts, events, or people

Math

Objective:

- Students will identify the repeating unit in shape patterns and use it to describe, create, complete, and extend patterns.

Vocabulary:

- repeating pattern — a pattern with a rule that repeats; the rules can be expressed with letters such as AB, ABC, ABBA, etc.
- shape — a two-dimensional or three-dimensional form or outline of an object
