WILLINGBORO BOARD OF EDUCATION
2026-2027, 2027-2028, and 2028-2029 School Years

GENERAL PROVISIONS

1. All contractors shall comply with current applicable New Jersey statutes, regulations, and policies and procedures of the district board of education governing student transportation.

2. The term of the contract shall, in general, shall be from September 1, 2026 through June 30, 2029 according to the school calendar. Student transportation contracts are deemed to include all the rules and procedures pertaining to student transportation though not expressly stated. Please note the actual starting dates of the transportation routes are found on the Route Descriptions.

3. It is the intent of the Board of Education to award a contract for transportation as soon as possible after the date set for the opening of bids and to require the successful contractor to provide transportation in accordance with the school calendar. All school calendars will be provided as they are approved by each respective school for all routes.

4. The successful bidder will be considered an independent contractor and shall not be deemed to be an agent, servant, employee, or representative of the Board of Education.

5. As authorized by the district Board of Education, only enrolled eligible public and private school students, adults serving as chaperones or school personnel shall be transported. The vehicle(s) assigned to the routes specified herein shall not be utilized for other purposes during the time periods designated by the route descriptions.

6. Vehicle(s) shall arrive and/or depart the assigned school(s) as indicated on the enclosed route descriptions.

7. No transportation contract shall be subcontracted without the prior written approval of the Board of Education.

8. Bids are to be placed in a sealed envelope and plainly marked, "BID FOR STUDENT TRANSPORTATION SERVICES, WILLINGBORO SCHOOL DISTRICT" and presented to the board in session, authorized committee, designated official or employee of the board. The board or designated official shall unseal the bids in the presence of the parties bidding and publicly announce the contents. Bids will be received at the Willingboro Board of Education Business Office, located at 440 Beverly Rancocas Rd, Willingboro, NJ 08046 up to 1:00 PM prevailing time on June 11, 2026.

9. If awarded a contract, your company/firm will ensure compliance with all applicable federal, state, and local regulations and will certify such compliance to the Board of Education upon request.

10. The Board of Education reserves the right to transfer transportation contracts awarded under these specifications to another board of education.

11. If any litigation should arise between the Board of Education and the successful bidder pursuant to the award of this contract, the venue for any suit shall be laid in the Superior Court of New Jersey, Law Division, in the county where the Board of Education administering the contract is located.

12. The bid package includes individual routes and/or packaged (tiered) routes. This package requires bids for each route. No provisions shall be made for any conflict such as school calendars for packaged/tiered routes.

13. Each bid shall contain BID SHEETS for the 2026-2027, 2027-2028, and 2028-2029 school years for which this contract is specified. The TOTAL sum of all bid sheets will be used to determine the lowest bidder.

14. The Willingboro Board of Education intends to award the entire bid **(bulk bid)** to the same contractor who will be required to operate out of land currently designated by the Willingboro Board of Education for such use located in Willingboro, NJ.
    a. A lease agreement will be offered to the successful bidder for an amount of rent not to exceed 1.75% of the value of the contract for each year beyond the first year including possible future renewals.
    b. If the bidder wishes to tour the facility prior to submitting a bid, please contact Alberto Silva, Transportation Director, for an appointment. The facility includes a garage bay for maintenance work on vehicles.
    c. Deductions for the rent shall be made from the invoices submitted for the months of September through June.

15. During the term of this contract, the only vehicles parked at the Willingboro facility will be in service to the District and not any other entity or school district.

16. Under no circumstances is the contractor allowed to provide any services without the consent of the district. Please note that there may be a fee associated if permitted to do so.

17. **The term of this 3-year contract shall be for 2026-2027, 2027-2028, and 2028-2029 School Years.**

VEHICLES

1. Transportation equipment must be properly registered by the Motor Vehicle Commission, and meet all current specifications in accordance with Federal and State law, the rules of the State Board of Education, and any additional specifications of the Willingboro Board of Education.

2. The Willingboro Board of Education will only accept bids on Vehicles, that have a vehicle manufacture year of 2014 or newer with the exceptions below:

    a. Wheelchair-lift equipped vehicles should be 2016 or newer. Bid prices will be accepted by the District for vehicles with wheelchair lifts and seating with the manufacture year of 2016 or newer.

    b. In the event of emergent or unforeseen circumstances, an older school bus vehicle, one manufactured within the guidelines of N.J.S.A. 39:3B-5.1, may be used for no more than five (5) days cumulative total in one school year. Written permission must be received from the District before using any older vehicle.

3. Bus to have the capacity as listed for each route. Vehicle types if requested are indicated on each route sheet. Wheelchair lift vehicles must be at least a school bus, a yellow Type II vehicle with an eight-way warning light system, a four-point tie-down system with upper and lower torso restraints, and forward-facing positions.

4. Transportation equipment shall be properly registered by the Motor Vehicle Commission, and meet all current specifications in accordance with Federal and State law, the rules of the State Board of Education, and any additional specifications of this district's Board of Education.

5. All vehicles shall be systematically inspected twice within the year and display a school bus certification inspection sticker to ensure that such vehicles and equipment are in safe and proper operating condition.

6. The contractor shall provide and maintain an adequate number of school buses, including spares, to safely transport any and all students assigned to the routes contained in this bid and to assure uninterrupted service in the event of mechanical breakdown.

7. A detailed description (size, manufacturer, year, type, model, tag number, unit number, and capacity) of buses that are proposed to be used to perform the requirements of the contract must be submitted by the successful bidder prior to the beginning of each school year. **Changes in bus assignments for the bus routes must be reported to the Willingboro Board of Education Transportation Office as they occur.**

8. All vehicles will clearly display the route number that it is performing at all times on the right side second window bottom portion to avoid violating NJ Motor Vehicle Commission regulations. **Upon loading of students at every dismissal, from every school, each bus will ALSO display a 5" x 8" index card in the front window for route identification. The card is to be removed before the bus goes into motion.**

9. All vehicles are to be equipped at all times with a working DIGITAL two-way radio for communications with the home base of the contractor.

    a. The Willingboro Board of Education maintains a dedicated radio frequency for busing that can be used by the contractor awarded this bid. The contractor may use this existing frequency but must provide their own radios and base station to utilize it.

    b. In the event the contractor elects to utilize their own frequency, the contractor will supply two handheld radios (tuned to the frequency in use) to the Transportation Office of the Willingboro Board of Education. All radios must use digital frequencies and operate within the range of routes performed for the Willingboro Board of Education.

    c. **All radios in use by the contractor must be DIGITAL-equipped devices to ensure proper communication within the fleet.**

10. All vehicles are to be equipped at all times with a high-definition (HD) surveillance system to record audio and visual activity while the bus is in service to the Willingboro Board of Education. The requirements of such a system are as follows:

    a. The audio and video must be digitally recorded on a device that can be removed to be viewed remotely via PC and ALSO equipped to remotely access video via a 5G cellular connection.

    b. Video can be accessed to watch (stream) live via a 5G cellular network.

    c. The monitoring software must have the ability to review incidents of up to two weeks prior and the bus shall have at least **5 (FIVE) cameras** positioned inside the bus.

        - One camera facing the entrance of the bus over the driver.
        - One camera over the front door facing the driver.
        - Two cameras to record the interior of the bus. One in front of the bus, facing the rear. The other positioned in the rear, facing forward, with a lens that can capture the occupants of the last row.
        - One "dash cam" style camera.

    d. The monitoring software must be able to save individual "snippets" of video to be emailed or saved in a manner that any PC can view. WMA, MPG-4, AVI, and MOV are common video formats that are acceptable.

    e. If a request is made by the Transportation Office to view videos from a specific vehicle, the contractor must possess additional storage devices (memory cards or hard drives) to replace the one being reviewed to ensure continuous recording on the bus until the original storage device is returned.

    f. All vehicles must display a notice inside the bus indicating that an audio & video surveillance system is in use at all times.

    g. All vehicles must be equipped to automatically begin recording once it is in service to the Willingboro Board of Education to eliminate driver error.

    h. The Willingboro Board of Education's Transportation Office will have full access to the video recording system.

The Willingboro Board of Education shall be consulted with before a final determination of the video recording/streaming system that will be installed on the vehicles is made .

11. All vehicles are to be equipped with seat belts.

12. All buses are to be equipped with Crossing Control Arms.

13. **All buses in service to the Willingboro Board of Education will need to be equipped with a "real-time" GPS location device and system. The system required for properly integrating the Willingboro Board of Education's software routing programs from Transfinder are listed below:**

    a. **The Willingboro Board of Education will procure the electronic tablets, mounting brackets, and cables required for driver utilization from Transfinder to seamlessly integrate driver and vehicle with routing information. The winning bidder will be responsible for installing the hardware for utilization.**
    b. **All buses must be equipped with the Zonar V4 hardware system including annual Zonar GPS Essential Services Rapid GPS login.**
        - **For any questions regarding compatibility of bidders Zonar with Transfinder products please contact Transfinder at the number provided below..**
        - **Contractors submitting a bid should contact Transfinder Corp. for confirmation of capatability.**

        - **The Willingboro Board of Education shall have access to the winning bidder's Zonar activity including:**
            i. **Engine On, Engine Off**
            ii. **Amber Warning Lights**
            iii. **Door Open, Door Close**
            iv. **Red Lights ON, Red Light Lights OFF**

14. Student and route data will be provided on a real-time basis for each driver with turn-by-turn instructions supplied directly by the Transportation Department.
    a. All vehicles must have a printed copy of the routes being covered in case of a technical outage so that the route(s) may be completed accurately. Once new students with "curb-to-curb" busing are added to the route, a new copy must be printed out and kept in the vehicle in use.

15. The Willingboro Board of Education will not reimburse the contractor for the cost of repairs for any damages to the vehicles or related equipment by students or other occurrences.

16. All vehicles are to be thoroughly cleaned by each driver upon the completion of their day.

17. **During the contract's life, all buses will need to be thoroughly detailed every 60 days by the contractor up to and including cleaning windows, mopping the floor, and washing the bus's exterior.**

18. Any bus found to be in a condition that does not meet this standard shall be removed from service until it is cleaned and prepared for service.

ACCIDENT REPORTING

1. Contractors shall ensure that every school bus driver will: a) immediately inform the Transportation Director of the district board of education providing the transportation following an accident that involves an injury, death, or property damage, b) complete and file the accident report as prescribed by the Commissioner of Education and deliver it to the Transportation Director by the conclusion of the next working day, and c) deliver the report to the Transportation Director of the district board of education providing the transportation after it is signed by the driver in accordance with *N.J.A.C.* 6A:27-12.2. In addition, the driver must also complete and file a motor vehicle accident report in accordance with *N.J.S.A.* 39-4:130 with the local police department in the town the accident has occurred.

REPORTING STUDENT LEFT UNATTENDED ON THE SCHOOL BUS

1. Every owner/operator of a school vehicle shall immediately inform the Transportation Director of the district board of education providing for the transportation or their designee following an incident in which it has been determined that a student has been left unattended on the school bus at the end of the route. The school district or school bus contractor personnel who discover, or to whom it is reported, that a student has been left on a school bus shall immediately report the incident to the owner/operator of the vehicle. A student is considered to have been left unattended on the school bus at the end of the route when the driver has left the vicinity of the bus.

DRIVERS/AIDES

1. The driver shall be a reliable person of good character who shall possess the qualifications and communication skills necessary to perform the duties of the position and comply with the rules set forth for drivers in all federal, state, and local regulations including, but not limited to, the Omnibus Transportation Employee Testing Act, *N.J.S.A.* 18A:39-17 through 20 (background check), and tuberculosis testing.

2. If a student assigned to a special education route (who receives “curb-to-curb" busing) is not present at the assigned bus stop for three consecutive days, the contractor shall report this absence to the district Transportation Office.

3. The bus driver shall be in full charge of the school bus at all times and will be required to report unmanageable students to the district transportation supervisor and principal of the receiving school on the district-prescribed incident/discipline form.

4. A bus aide assigned to a route awarded by this bid shall be a reliable person of good character who shall possess the qualifications and communication skills necessary to perform the duties of the position and will be required to comply with the criminal background check and tuberculosis testing as prescribed by law.

5. Bus aides shall attend to the special needs of students, maintain order in the vehicle to ensure the safety of all students, assist students in getting on and off the vehicle as needed, and other duties that may be specified by the Board of Education.

6. If, in the judgment of the Board of Education, any driver or aide assigned to a vehicle operating under a contract awarded by this bid shall be deemed to be an unsuitable person for their position because of lack of skills necessary to perform their duties, inability to control students, failure to comply with the rules and regulations, incapacity, unbecoming conduct, or other good cause, the contractor may be required to remove the driver and/or aide from the route or all district routes. If the contractor fails to comply with this provision, the contractor may be required to show cause why this failure to comply is not deemed to constitute a breach of contract and may set aside and annul the contract.

7. The contractor will supply a roster of employees and supporting documentation to the Willingboro Board of Education's Transportation Office before the start of the school year. This roster must be updated throughout the school year as employees are hired and/or terminated. The documentation shall contain the following information pertaining to each employee if applicable:

a. A valid copy of the NJ Department of Education "Blue Seal" approval letter issued by the Criminal History Review Unit.
b. A copy of the employee's Driver's License and Medical Certificate, and TB test.

8. Drivers and bus aides must be identifiable to parents, school staff members, and students.

a. All drivers and bus aides shall have photo identification cards present and visible at all times.

b. All drivers and bus aides shall wear a standard company-collared polo shirt and remain consistent in color and design throughout the life of the contract. Shirts shall have the company logo embroidered on them.

c. All drivers and bus aides will be supplied with appropriate outerwear, also consistent in color and design, to maintain a readily identifiable image for all employees during the winter months.

9. The contractor shall actively monitor employees that proper footwear is worn by all employees to maintain a high degree of safety.

10. The use of personal cell phones, smartphones, and other related communication devices while in service to the district is strictly prohibited. All drivers are expected to comply with local/DOT regulations pertaining to the use of handheld devices and their earpieces/headphones.

11. The contractor shall take every step to properly cover all open routes/tiers with spare/cover drivers who step in to perform these routes. The contractor shall maintain a roster of at least 5 (five) spare drivers to cover all daily routes/tiers in the event of an unanticipated opening.

12. The contractor shall share all driver, bus aides, and bus assignments with the district through a shared document or Sheet via Google Drive. Uncovered routes covered by spare/cover driver must shared on this

sheet/document daily. Any permanent changes to bus and/or driver assignments must be updated as they happen.

13. The contractor's staff shall personally "check-in" drivers in the order in which it is determined they are to report to perform their duties. Individual driver report times should provide enough time to check-in, perform vehicle pre-trip inspection, and travel to the first stop.

CONTRACTOR STAFF

1. Due to the size of the operation, the contractor must provide at minimum the following staff to successfully operate the location. These staff members shall be assigned to the Willingboro "satellite" location of the winning bidder.

2. The operation shall be managed by a local full-time **"Location/Operations Manager"** who will oversee the day-to-day responsibilities of the contractor.

3. The operation shall have a local full-time **"Safety Trainer"** to undergo all required training as required by all New Jersey and Federal regulations. Training includes but is not limited to:

    a. New driver training.
    b. Year-round safety training.
    c. "Refresher" and "Evaluation" training with all drivers and bus aides.

4. The operation shall have a local full-time **"Dispatcher"** responsible for assigning open routes, "checking in" drivers and aides, and other related assignments. The dispatcher shall NOT perform any duties for any other district.

COUNTY SUPERINTENDENT APPROVAL

1. All transportation contracts require the approval of the County Superintendent of Schools.

PAYMENT TERMS

1. Invoices from the contractor for each month of service should be submitted by the 1st Tuesday of the following month. Payments will be made within 60 days of the date of the invoice(s) per Board of Education approval.

2. The contractor shall execute the contract and submit it to the district board of education with all required related documents in order for the district board of education to comply with the timeline for submission of contracts to the county superintendent. Failure to do so may result in a delay in the scheduled payment of services. Contractors shall visit the Department of Education's Student Transportation website to become familiar with the contract to be executed.

3. Payment for June will be made by August 31st.

4. Per Diem contracts will be calculated on the actual number of days transportation services were performed.

5. Payments are subject to approval by the Board of Education. Therefore, payments may be delayed depending on the Board's meeting schedule.

EMERGENCY PROVISIONS

1. In the event the school is closed due to inclement weather or other emergencies, the contractor shall be notified as soon as possible by the public school authorities providing transportation. Contractors are advised to listen to school closing announcements broadcast over the local networks and the designated news agencies via television, radio, and the internet.

2. In an emergency where the contractor cannot meet the schedule, or if the school has a change in schedule, the party responsible for any change shall immediately notify the other party.

3. Any expenses resulting in the contractor not following protocol with respect to monitoring school closings during weather-related emergencies will not be the responsibility of the Willingboro Board of Education.

PANDEMIC EMERGENCIES

1. In the event of a pandemic emergency the contractor shall at minimum be prepared to carry out the following directives:

a. Observe all state and federal guidelines concerning the use of personal protective equipment (PPE).
b. If applicable, monitor the temperature of students as they are boarding the vehicle.
c. Maintain attendance records to assist with contact tracing if necessary.
d. Follow all proposed protocols as recommended by State and Federal agencies.

BASIS OF BID AND ADJUSTMENTS

1. The bidder shall submit the bid on the bid sheet contained in these bid specifications. Bids shall be submitted on a per diem or annum basis as indicated on the enclosed bid sheet. Other bid sheets are not acceptable.

2. If there is any change in a described route resulting in additional mileage, the amount of the contract shall be adjusted as specified in the bid. Bids that do not include an adjustment amount will not be accepted. There will be no provisions for increase/decrease of mileage for all routes picking up and dropping off students located within the boundaries of Willingboro, NJ as they are subject to many minor periodic changes during the school year.

3. The net result of any mileage adjustment to a nonpublic school transportation contract shall not exceed the maximum cost per student under N.J.S.A. 18A:39-1a. Calculations to determine the per-student cost shall include all students on the route, public and nonpublic.

4. In the event of a “snow day” or other unforeseen emergencies, and the district must close schools, the contactor shall not be compensated if the school day is converted to a “remote learning” day counting towards the official school year of 180 days.

5. In the event of a “snow day” or other unforeseen emergency, and an “out of district” school (public, non-public, charter, or private school for the disabled)must close, the contactor shall not be compensated if the school day is converted to a “remote learning” day counting towards the official school year of 180 days.

INSURANCE COVERAGE

1. Unless otherwise specified by the board of education, the contractor shall provide automotive liability insurance in the minimum amount required by the Motor Vehicle Commission and Department of Education regulations. The board of education requires insurance coverage greater than the minimum amount; the contractor shall provide automotive liability insurance for $5,000,000 combined single limit per occurrence. Bidders will be required to provide, with the bid, evidence of their ability to obtain the required insurance coverage. A certificate of insurance for the duration of the contract is to be presented by the successful bidder. The certificate of insurance shall state that the contracting board of education is an additional insured party to the policy.

2. The district board of education and the Executive County Superintendent shall be notified by the insured whenever any policy is canceled. Notification shall be made within 48 hours of the receipt of the notification of the cancellation by the insured, and before the cancellation takes effect.

3. The contractor will protect, defend, and save harmless the Board of Education from any suits or actions of every nature and description brought against it for or on account of any injuries or damages received or sustained by any party or parties by or from any acts of the contractor, its servants or agents as a result of the performance of the contract.

BID GUARANTEE

1. Each bid shall be accompanied by a bid bond, cashier’s or certified check for a minimum of five percent (5), but in no case may the certified check, cashier’s check, or bid bond exceed $50,000. No other form of guarantee is authorized. This guarantee shall be made payable to the Board of Education. Such deposit shall be forfeited upon refusal of a bidder to execute a contract; otherwise, checks shall be returned when the contract is executed and a surety (performance) bond is filed with the Board of Education. The bid guarantee shall be identified by the bid number assigned to the bid for which it is submitted. The bid guarantee for all unsuccessful bidders, except for the three lowest bidders, will be returned within 10 days after the bid

opening (Saturdays, Sundays, and holidays excepted). The annual contract amount of per diem contracts shall be calculated by multiplying the total per diem cost by 180 days.

2. Each bid shall be accompanied by a Consent of Surety.

PERFORMANCE GUARANTEE

1. A corporate performance surety bond in an amount equal to the annual amount of the contract shall be required of the successful bidder. The performance guarantee shall be identified by the contract number or route number for which it is submitted. Each bid shall be accompanied by a signed Prescribed Form of Questionnaire, included in these specifications. The bond to be provided for per diem contracts shall be equal to the total per diem bid multiplied by 180 days.

2. If personal bonds are permitted by these specifications, a contractor who submits a personal bond will ensure that the bond persons providing the performance guarantee provide a list of all school districts in which they are bonding contracts and the amount of the contracts bonded. Additionally, evidence of the value of the property listed as security shall be provided upon request.

BREACH OF CONTRACT/PENALTIES

1. In the event the contractor fails to provide service under these specifications and stated requirements, the contractor shall be considered in breach of contract. Cancellation of the contract and/or enforcement of the contractor's performance bond may result.

PENALTIES

A. Tardiness
Bus routes will be performed according to the times prescribed by the Willingboro Board of Education. Tardiness is considered to be greater than 10 min. concerning the first stop's pick-up time. Any avoidable instance of tardiness will be considered to be penalized. **Penalty – $500.00 per occurrence.**

B. Failure to Provide a Vehicle with Working GPS Tracking
All vehicles in service to the District must have a working GPS unit and be able to be tracked with the GPS software referred to in this Bid Specification. Any vehicle found to have a non-working unit must be immediately placed out of service and replaced with a different vehicle. If it is determined that after sufficient notice the vehicle has not been restored to its GPS tracking ability the following penalty will be assessed. **Penalty – $500.00 per occurrence.**

C. Lack of Coverage in the Dispatch Office.
A full-time dispatcher must be in the contractor's office during AM (arrivals) and PM (dismissals) bus movements. If the dispatcher is not available, another dispatcher/trainer or the contractor's Manager must cover the duties of the dispatch office. The person performing the dispatcher's duties must not be a driver/aide of the contractor.
Penalty – $500.00 per occurrence.
2. Penalties will be assessed on the monthly contract billing.

TRAINING PROGRAMS

1. The contractor will ensure that drivers and aides are properly trained to perform their duties.

2. The contractor shall administer a safety education program for all permanent and substitute drivers and bus aides.

3. Drivers and aides are required to participate in scheduled school bus evacuation drills. All drivers shall be trained to perform the drill when required. Evacuation drills shall be conducted by the contractor twice during each school year. Forms provided by the Willingboro Board of Education shall be provided to document each drill.

4. All drivers and bus aides shall participate in 10 mandatory safety/training meetings hosted by the contractor's staff to promote safety awareness. These meetings shall be held monthly from September to June of the school year. Evidence of completed meetings shall be forwarded to the Transportation Office.

5. Safety messages shall be broadcasted to the drivers every morning during the time that schools are in session to keep safety in the mind of the staff.

6. All drivers will be given "mirror check" training at least twice per year.

7. All drivers will be evaluated by the "Safety Trainer" which includes actual driving once per year to ensure compliance with all aspects of a School Bus Driver.

ROUTES
1. All routes will be provided by the Willingboro Board of Education's Transportation Office. Routes are to be followed as they are. Drivers may not change any aspect of the route unless it is sanctioned by the Willingboro Board of Education's Transportation Office.

MODIFICATIONS
1. Any modifications to these specifications after the public advertisement for bids and before the scheduled bid opening will be made known by certified mail to all bidders who requested specifications.

2. The Board of Education reserves the right to make modifications of routes subject to the provisions of the bid and the rules of the State Board of Education.

AFFIRMATIVE ACTION

During the performance of this contract, the contractor agrees as follows:
The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality, or sex. Except concerning affectional or sexual orientation and gender identity or expression, the contractor will take affirmative action to ensure that such applicants are recruited and employed and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor, where applicable, will send to each labor union or representative or workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.
The contractor or subcontractor agrees to make good faith efforts to employ minority and women workers consistent with the applicable county employment goals established in accordance with N.J.A.C. l7:27-5.2, or a binding determination of the applicable county employment goals determined by the Division, pursuant to N.J.A.C. 17:27-5.2.

The contractor or subcontractor agrees to inform in writing its appropriate recruitment agencies including, but not limited to, employment agencies, placement bureaus, colleges, universities, and labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court

decisions of the State of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

In conforming with the applicable employment goals, the contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading, and layoff to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor shall submit to the public agency, after notification of award but prior to execution of a goods and services contract, one of the following three documents:

- Letter of Federal Affirmative Action Plan Approval
- Certificate of Employee Information Report
- Employee Information Report Form AA302

The contractor and its subcontractors shall furnish such reports or other documents to the Div. of Contract Compliance & EEO as may be requested by the office from time to time to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Div. of Contract Compliance & EEO for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code at N.J.A.C. 17:27.

STOCKHOLDER DISCLOSURE

1. All bidders are hereby notified that every corporation and partnership, according to the provision of Chapter 33, Laws of 1977 of the State of New Jersey, must submit a statement prior to the receipt of the bid or accompanying the bid, setting forth the names and addresses of all stockholders in the corporation or partnership who own 10% or more of its stock, of any class or of all partners in the partnership, who own 10% or greater interest therein, as the case may be. If one or more such stockholders or partners is itself a corporation or partnership, the stockholders holding 10% or more of that corporation's stock, or the individual partner's 10% or greater interest in that partnership, as the case may be, shall also be listed. The disclosure shall be continued until names and addresses of every non-corporate stockholder, and individual partner, exceeding the 10% ownership criteria established in this act, have been listed.

BUSINESS REGISTRATION

1. All bidders are hereby notified that every business organization must submit with their bid a copy of their Business Registration Certificate, in compliance with P.L. 2004, c 57 of the State of New Jersey.

DRUG AND ALCOHOL TESTING

1. If awarded a contract, your company/firm will be required to certify to the board of education that you comply with the drug and alcohol requirements of the Omnibus Transportation Employee Testing Act.

BACKGROUND CHECK

1. The contractor shall ensure compliance with the requirements of *N.J.S.A.* 18A:39-17 through 20 governing criminal history background checks, and shall annually submit required documents to the county superintendent of schools on or before August 31 or upon employment for newly hired drivers.

DRIVER AND AIDE TRAINING

1. The contractor shall ensure compliance with the requirements of *N.J.S.A.* 18A:39-19.2 and 3 governing the training of school bus drivers and aides, and shall annually submit required documents to the county superintendent of schools on or before August 31 or upon employment for newly hired drivers and/or aides.

TUBERCULOSIS TESTING

1. The contractor shall ensure that all bus drivers and bus aides are tested for tuberculosis infection in compliance with *N.J.A.C.* 6A:32-6.3.

DISCLOSURE OF POLITICAL CONTRIBUTIONS

1. The contractor is advised of the responsibility to file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission pursuant to *N.J.S.A*. 19:44A-20.13 (P.L. 2005, c.271, s.3) if the contractor receives contracts in the aggregate in excess of $50,000 from public entities in a calendar year. It is the contractor's responsibility to determine if filing is necessary. Additional information on this requirement is available from ELEC at 888- 313-3532 or at www.elec.state.nj.us.

MAINTENANCE OF CONTRACT RECORDS

1. The contractor is advised that relevant records of private vendors or other persons entering into contracts with covered entities are subject to audit or review by the Office of the State Comptroller pursuant to *N.J.S.A.* 52:15C-14(d). The contractor shall maintain all documentation related to products, transactions, or services under this contract for a period of five years from the date of final payment. Such records shall be made available to the New Jersey Office of the State Comptroller upon request.

Notification Required when a School Bus Driver's License is suspended or revoked

When a contractor providing pupil transportation services under contract with a board of education is notified by the Department of Education that a school bus driver employed by the provider has had their bus driver's license suspended or revoked, the employing transportation provider, within one business day of the notification, must provide a statement to the NJ Department of Education verifying that the school bus driver no longer operates a school bus for the board or contractor.

8. Prescribed Questionnaire
9. Consent of Surety
10. Stockholder's Disclosure Statement
11. Affirmative Action Documentation or Questionnaire
12. Non-Collusion Affidavit
13. Bid Sheet

Willingboro Board of Education
2026-2027, 2027-2028, and 2028-2029 School Year Transportation Requirements, Additional Bid Specifications, and Route Descriptions.

1. Contractors are to fill out Bid Sheets for each year of the 3-year contract. The bid total will be the sum of the 3 years of service. The lowest bidder will be awarded the entire 3-year contract as this is a BULK BID.

2. All routes are subject to the terms outlined in the Bid Specifications unless indicated on the individual Route Description. Any additional requirements for a Route(s) are described under the "Comments" section.

3. Tiers are created to maximize driver and vehicle efficiency. The Willingboro Board of Education will reserve the right to alter a Tier if it is in the best interest of the students.

4. All vehicles shall arrive at a minimum of five minutes before the scheduled time of dismissal for the assigned route. Special Ed schools that have a lengthy boarding process may require more time to complete the process than others. The drivers of these routes will spot their buses accordingly to prevent excessive wait times for the district's students.

5. All stops listed are located within the Township of Willingboro unless specifically indicated within the individual Route Description.

6. All "curb-to-curb" students are to be released once it is determined that they are in the custodianship of a guardian or parent.

7. Additional mileage modifications for all Routes will be calculated according to the Terms listed in the Bid Specifications.

8. The Willingboro Board of Education reserves the right to cancel/suspend a contract/route due to a decrease in the number of students assigned to the route or due to the closure/relocation of a District school.

9. The contractor awarded this bulk bid will be responsible for operating all Routes concerning each school's calendars and be prepared to begin transportation on the first day of school.

10. If the bidding contractor offers the percentage deduction, it shall be applied to each Route.

11. Increase/Decrease mileage adjustments submitted with this bid cannot exceed $5.00 per mile per route. The "Deadhead" mileage will not be charged to the district. The mileage listed in the route descriptions shall be used as a reference to calculate all future increases/decreases.

12. Routes showing more than one school may change the destination as needed due to building use and availability.

The Willingboro Board of Education intends to award this bulk bid to the same contractor.

Forms to be included with this bid may also be found at the following website…

BID SHEET
Willingboro Board of Education

Student Transportation Services

- Bids which do not include an adjustment amount will not be accepted.
- In the event bid submissions for a route cost result in a tie bid, the award shall be based on the lowest aide cost (if applicable). If there is no aide cost, or if that cost also results in a tie bid, the award shall be based on the lowest increase/decrease adjustment cost unless otherwise specified by the board.
- Alternate bids not solicited by the Board of Education will not be accepted.
- The following routes and aide (if applicable) are to be bid on a PER DIEM basis.
- Routes which require an aide are so indicated by an asterisk (*).

I hereby submit the following bid(s) to transport students during the 20___-20___school year in accordance with your advertisement, specifications and route description.

Willingboro Board of Education

Student Transportation Services

- Bids which do not include an adjustment amount will not be accepted.
- In the event bid submissions for a route cost result in a tie bid, the award shall be based on the lowest aide cost (if applicable). If there is no aide cost, or if that cost also results in a tie bid, the award shall be based on the lowest increase/decrease adjustment cost unless otherwise specified by the board.
- Alternate bids not solicited by the Board of Education will not be accepted.
- The following routes and aide (if applicable) are to be bid on a PER DIEM basis.
- Routes which require an aide are so indicated by an asterisk (*).

I hereby submit the following bid(s) to transport students during the 20___-20___ school year in accordance with your advertisement, specifications and route description.
