

Pre-K Snow Day Learning Activities

Reading

My Name Snowball Letters

1) Write your child's first name on a paper in large letters. 2) Cut out or draw snowballs (circles) and write one letter of your child's name on each snowballs. 3) Mix the snowballs up. 4) Have your child: Say each letter name and put the snowballs in the correct order to spell their name. 5) After spelling the name, help your child say the sound each letter makes: "A says /a/ 6) Practice again by: Pointing to each letter, saying the letter name, and saying the letter sound.

Math Activity

Snow Shape Hunt

1) Review the shapes together: Circle – round, Square – 4 equal sides, Rectangle – 4 sides, 2 long and 2 short, and Triangle – 3 sides. 2) Go on a Shape Snow Hunt around the house. 3) Each time your child finds a shape, have them: Say the shape name and trace it with their finger.

Shape Examples

Circle: plate, clock, lid

Square: tile, napkin, block

Rectangle: book, door, cereal box

Triangle: pizza slice, toy sign

❄️ Pre-K Snow Day Learning Activities ❄️

📖 Reading Activity

Rhyming Words: Have your child listen and say rhyming words verbally. Say the word first, then help your child think of words that sound the same at the end.

Cat → hat, bat, mat; **Box** → fox; **Dog** → log, fog; **Goat** → boat, coat; **Bag** → tag, rag; **Pan** → fan, man

Draw & Label a Rhyme

1) Help your child choose **two rhyming words (i.e. dog / log)** 2) Have your child **draw a picture** showing both words. 3) With adult help, **label the picture** by writing the words together.

1234 Math Activity

Sorting Fun: Have your child collect **10–15 small items or toys** from around the house.

Choose **one way** (or more) to sort the items: by color, shape, or size.

Ask questions like:

- “Which group has more?”
- “Which has fewer?”
- “Can we sort them a different way?”

Have fun learning and enjoy your snow day!

❄️ Pre-K Snow Day Learning Activities ❄️

Please do these fun, simple, learning activities at home. Thank you for your support!

📖 Reading

👏 Syllable Practice & Name Writing

-Help your child clap or tap the syllables in each word: snowman, blanket, ice, blustery & icicle.

Example: snow-man (2 claps)

-Have your child practice writing their name 5 times. Look for correct grip and help if needed.

🔢 Math

🔄 One-to-one Correspondence

Using cotton balls, rolled socks, marshmallows, or paper balls have you count items aloud. "One, two, three..."

Directions:

-set up snowballs

-say or write a number (start with 1-5, increase if too easy)

-have child count with one-to-one matching, they should be counting aloud.

-say the total number of objects after counting:

Ask: "So how many snowballs are?"

Thank you for your help while they are home!

❄️ Pre-K Snow Day Learning Activities ❄️

Dear Families,

Please do these fun, simple, learning activities at home. Thank you for your support!

📖 Reading

✏️ Alphabet Writing Practice

Have your child practice writing uppercase and lowercase letters Aa, Bb, Cc, Dd, Ee, Ff, Ii, Jj, Kk, Mm, Nn, Oo, Pp, Ss, Tt.

You can help by:

- Using crayons, markers, or pencils
- Saying the letter names and sounds together

🔢 Math

🔄 AB Pattern Activity

Using items you find around your house, help your child create an AB pattern.

Examples:

- spoon, fork, spoon, fork
- sock, shoe, sock, shoe
- block, car, block, car

Thank you for supporting their learning while they are home.

Pre-K Snow Day Assignments

Dear Families,

Please complete the following two simple activities with your child during our snow day. These activities support early reading, writing, and math skills.

Reading Activity

What to do:

- Have your child draw a picture of something they are doing during the snow day.
 - Examples: playing in the snow, watching a movie, building a snowman, playing with toys, etc.
- Ask your child to tell you about their picture.
- Please write exactly what your child says on the paper.

This helps children understand that spoken words can be written and read.

Math Activity

What to do:

- On the back of the reading paper, have your child write their numbers.
- As your child writes each number, please:
 - Ask them to name the number aloud.
 - Help only as needed.

This supports number recognition and number writing skills.

Thank you for your support and for helping your child continue learning at home!
