

Our Commitment to Military Students

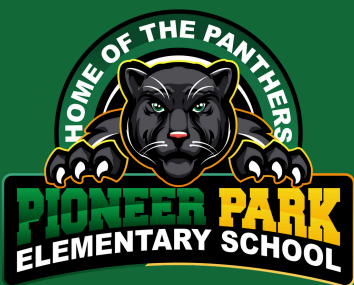

Every military-connected child is warmly greeted upon arrival. Any new military student/family that joins our school will have the opportunity to tour the campus and will be invited to participate in extracurricular activities such as robotics, esports, art club, and 4-H. Each new student will also receive a Pioneer Park shirt or hoodie as part of our spirit wear.

To help with a smooth transition, incoming students are paired with one or two peer buddies who will eat lunch with them, play together at recess, and support them as they become familiar with our school community.

As part of their welcome experience, new students may also be invited to participate in a "Lunch with the Principal." Our school counselor will periodically check in with new students as they adjust to our campus.

To keep our new families up to date with information, the principal or counselor will ensure each family is connected to the LPS communication platform-Rooms/Thrillshare app, Infinite Campus app, and is aware of our Pioneer park PTO Facebook page and Pioneer Park Elementary Facebook page, where they can follow us for events and see what we're up to on a weekly basis.
