AGENDA

II. Monthly Recognition: First Responders Recognition

Congress has designated October 28th as National First Responders Day. The resolution honors the firefighters, police officers, EMTs, and all those who are first on the scene in stressful situations. We take this moment to recognize the heroic men and women who make it their business to take immediate action when disaster strikes. Locally, we show special appreciation to both the career staff and many volunteers who work for the Lane Fire Authority.
