AGENDA

ROLL CALL

I. OPENING / PLEDGE OF ALLEGIANCE

II. SPOTLIGHT ON EXCELLENCE: MHS – Tonight's spotlight highlights an exciting new recognition program introduced by our student RAMbassadors at the start of each monthly faculty meeting: the **Real-World Connections Award!** Under the guidance of Mr. Centorino, who continues to champion student voice and leadership, this initiative invites students to nominate faculty and staff who bring learning to life by connecting classroom lessons to real-world experiences. Each month, RAMbassadors read selected nominations aloud at faculty meetings, celebrating the educators who help students see how what they learn in the classroom applies beyond school walls. To highlight the impact of this initiative, our student RAMbassadors will share a few recent nominations and examples of the meaningful connections our educators make every day.
