Book fair coming soon!
September 14-18
More information to come

The safety of our students and staff is among our top priorities! We have required safety drills each month, including fire, tornado, earthquakes and intruder drills. During these drills, teachers and students practice the execution of the MES Safety Plan protocols. Talk to your child and ask questions about their Safety Drill procedures and experiences. Remind them why these drills are important. This will help him/her become even more comfortable participating in our monthly drills. Thank you for trusting us to keep your child safe, whatever it takes!

Our Student Health Clinic is open!
7:00 am to 3:30 pm Monday - Friday.
Call 731-686-3201 to make an appointment
