July 02, 2026

Dear Valued Stakeholder,

We hope this letter finds you well. On behalf of Mills Middle School, located in the Pulaski County Special School District, we remain dedicated to supporting the academic success of our scholars while fostering a positive and engaging learning environment.

As we prepare for the 2026–2027 school year, we recognize that many of our scholars come from families facing financial challenges. As a result, they may lack essential school supplies, which can hinder their academic experience. To address this need, we are launching a **School Supply Drive**, and we would greatly appreciate your support.

We are seeking donations of school supplies or monetary contributions, which will allow us to purchase needed items for our scholars. Our annual **Mills Middle School Orientation** is scheduled for **August 8, 2026, from 9:00 AM to 12:00 PM**, and we hope to provide school supplies to as many families as possible during this event.

We are currently requesting the following items: **Clear or mesh backpacks, Wide-rule notebook paper, Pens, Pencils, Highlighters, Markers, Composition notebooks, Folders, Art Supplies, Colored pencils, Crayons, Pencil pouches, etc...**

You may drop your donations off at Mills Middle School (1205 East Dixon Road, Little Rock, AR 72206) between the hours of 9am - Noon, Monday - Thursday. We would be happy to arrange for a pick up if that is more convenient for you.

We also welcome monetary donations and will use them to purchase supplies on your behalf. Please make checks or money orders payable to Mills Middle School and place in the memo section "donation for school supplies."

Your contribution will directly impact the lives of our scholars by ensuring they are equipped with the tools necessary for academic success. In addition, by partnering with us, your business or organization will gain visibility within our school community and demonstrate strong support for local education.

We would love the opportunity to speak with you further about how we can work together to support our scholars at Mills Middle School. Thank you in advance for considering our request. **Together, we can help ensure every scholar at Mills Middle School is equipped for a successful school year.**

Educationally yours,

Dr. E. Lisa Watson, Instructional Leader
