Meet the Stars

Mrs. King

About Me:

Hi! This is my 8th year at Washington Irving, but I've been teaching and working in schools for over 20 years (which means I've probably seen every school lunch trend ever). I have three amazing daughters — one at Oklahoma State University, 2 at Santa Fe High School. Life is busy, a little loud, and a lot of fun

My Favorites:

Snacks: trail mix, fruit, popcorn
Drink: Dirty Diet Coke, Cranberry Limeade, Chai latte, sparkling water
Food: Dips
Dessert: Baked goods
Season: Fall
Team: OU, OSU, Thunder, UCO, SFHS
Color: rainbow glitter
Book: Hunger Games
Movie: Harry Potter
Animal: unicorns
Flower: Pretty flowers and succulents

My why for being in education:

I have always loved working with kids. My love for teaching young children started when I was a dance teacher. I never thought I would be teaching Health and P.E. Teaching H/P.E. has been the best surprise if my life.
