*It is anticipated that the Board of Education will act upon a resolution to convene an Executive Session before the Work Session in order to discuss personnel matters related to specific individual(s).

Please note that an Executive Session is a portion of a school board meeting that is not open to the public. If any action is required to be taken in public session, the Board of Education will act in accordance with the law.

Board members generally will not take formal action on issues in a work session, unless necessary for the operation of the District, but rather will discuss issues among themselves and the Superintendent. All work sessions shall be open to the public and members of the public will be permitted to act as observers. At work sessions of the Board, members of the public may address questions or comments concerning items on the work session agenda only.

The Work Session will also be livestreamed so that the public will be able to view and/or listen to the meeting. The link to view the livestream will be posted on the website at: https://www.youtube.com/c/LocustValleyBoardofEducation
