Building, Grounds Transportation Committee
Meeting Minutes
August 19, 2026
6:00-7:00
CO Conference room.

Members: Peter DeFilipp-Chair, Erin Hinkley, Dan Hodge, Jonathan Ferreira

Call to Order- 6:00PM

1. Election of Committee Chair

Dan Hodge nominated: Peter DeFilipp Seconded: Chad Culleton Vote: All in favor

2. Summer Projects

BJSHS- Windows, portable, Left-field fill and retaining wall at softball field
HSES- Painting, parking lot lights, gym circulation fans, heat tape on roof, flooring in office, school zone light installed. Looking for a temporary fix until we can put it in the budget for FY'28
MVCS-Working with contractors to finish projects and repair problems. Installation of school zon lights.
MVHS- Gymfloor, back parking lot stairwell, EEI project in the auditorium for an air handler.

3. Development of Bus runs

Bus runs have been created and there are some adjustments based on new enrollments. They will be very similar to last year based on the number of drivers available and the location of student pick-ups. Region 9 will begin on 9/26 which will be its own bus run for that week. Region 9 bus runs will be published tomorrow.

Looking to use a two-way radio system in place of the current radio communication system. The combination of a high cost and frustrating system are contributors to this transition. A majority of the committee was in support of ordering radios and implementing them for effectiveness before canceling our radio license.

4. HSES Bids- Septic and Siding

5. Capital Improvement Plan: RSU 10 Capital Improvement Tracking

Adjourned- 7:02PM

Next Meeting: October 14th @ 6:00 @ BJSHS Library
