STEM MAGNET ACADEMY OF POINTE COUPEE
8434 Pointe Coupee Road
Morganza, LA 70759

THINK
CREATE
INNOVATE

Dear SMA Families,

I am honored to be the Chief Program Administrator at STEM Magnet Academy. It is a privilege to serve our students, families, and staff in this new capacity, and I am excited for the opportunity. I am a lifelong resident of Pointe Coupee Parish and a proud 1992 graduate of Livonia High School. I am committed to making a difference in our school and in our community. With the experience of being an elementary/middle school principal for six years and a supervisor for five years supporting high schools, I anticipate a seamless transition for all.

I am eager to step into this role to work closely with teachers, administrators, and support teams to strengthen our academic programs, enhance student services, and ensure that every child at SMA receives the support they need to thrive. My goal is to enhance our student experience with learning opportunities that are meaningful, engaging, and aligned with the high expectations we hold for all students. I will work to keep our momentum going for all the great things that are happening at STEM that make it fun, exciting, and a place all students want to attend!

I look forward to maintaining open communication and fostering strong partnerships with families. Your insight, support, and involvement are essential to the success of our school, and I look forward to working together as we continue building a positive and enriching environment for all learners.

Thank you for your continued trust and support. Please know that my door is always open, and I welcome your questions, ideas, and feedback.

Warm regards,

Marcie Cazayoux

Chief Program Administrator, SMA
