Bus Routes 2026-2027

Registration for busing for the 2026-2027 school year is still open. If you haven't already registered your student and they are eligible for busing and plan to ride for the 2026-2027 school year, please complete the busing form at https://www.edgerton.k12.wi.us/page/go-riteway-bus.

Go Riteway will be in charge of transporting Edgerton students for the 2026-2027 school year. All students eligible for busing must register online to receive transportation, even if they were transported in the 2025-2026 school year. Eligibility criteria is outlined at the top of the busing registration form.

August 3rd will be the last day to register your child for busing in order to ensure they will be routed for the first week of school. ***If you do not register your child by this date, they will not be routed even if your child rode in 2025-2026.*** For any new registrations or if changes are made to your child's bus information after August 3rd, please note they will not be permitted to ride until the second or possibly third week of school.

Communication will go out to families once bus route information is available. You will then be able to view route information by logging in to your Infinite Campus parent portal and clicking on bus information in the tab on the left side of the screen. Letters containing bus information will **not** be mailed home. Accessing Infinite Campus is the only way you will be able to retrieve your child's bus information. Please remember to allow a 10 minute window before and after your scheduled pick up/drop off time.

Please feel free to call Go Riteway at 608-884-8114 or edgertonbus@goriteway.com with any questions.

Health Reminder

You will be required to enter all health information for each student when registering online.
To ensure the safety of all students, it is critical that the District has the most current health information on record. Please be sure to contact your student's school office if you need to:

- Speak to the District Nurse in person about your student's health plan
- Provide immunization records/updates in person
- Complete a Request for Administration of Medication at School Form (if needed) (this form can also be found on the district website/Health Office & Nurse/Nursing Forms) https://www.edgerton.k12.wi.us/page/health-office-nurse
