Assistant Superintendent

October 12, 2025

Dear Tecumseh Families,

In light of the information that was shared this morning about the threat at the high school, I wanted to provide additional details about our plans for the week.

Please know that the Pottawatomie County Sheriff's Office has arrested the student who made the threats. That student no longer poses a threat to our school at this time. Although there is no active threat, additional law enforcement officers will be present at all school sites this week as an added safeguard for our students and staff.

Also, please know that we will have a counseling team on call to provide students and staff members an opportunity to seek mental health assistance as needed. As a district, we have taken this threat seriously from the moment we found out about it yesterday, and we will continue to work to ensure that our students and staff are cared for during this time.

If your children have concerns about this situation, please take time to review the resource that is linked in the space below entitled “Talking to Children About Violence.” It may provide helpful information as you discuss and navigate this situation with them. If you have questions or concerns, please reach out to your child’s site principal.

Regards,
Robert H Kinsey
