# 2026-2027 Concession Stand Workers

✯The concession stand money is used to fund events/activities within the school such as field trips, classroom activities, classroom wish list items, help teachers pay for materials/activities and many other things. If you cannot fulfill your shift, please trade with another family. We thank you for working the concession stand and fulfilling your shift so we can continue to provide opportunities to the students and staff of Sanborn Central for many years to come✯
