The scoring criteria references vendor presentations. When does the district anticipate scheduling these presentations? We will schedule the day after the pre proposal meeting and then hold presentations after the due date.

What is the current student ISP for Athens ISD?69.3% Direct Certification

Concession services are not checked off in the scope of work; however, Exhibit A references concessions at the elementary campuses. Is the district expecting concession services to be included? We have one field day planned this year that will have a concession. TDA told us to write it in this way since it will not be on a regular basis.

How many days of summer feeding does the district anticipate operating? Approx 16

The district website lists both a General Manager and a District Chef position. Is the District Chef an SFA position? While the RFP references a General Manager under the FSMC scope, is the district expecting both positions, or will the district provide the District Chef role? The chef has been provided by the FSMc at no charge. We are not planning to ask for this position.

Is the district intending to operate CACFP snack and/or supper programs across CEP-qualifying campuses? Not at this time.
