Regular Meeting - Agenda
Tuesday, March 24, 2026, 7:00 p.m.

Mission Statement

The Harding Township School provides a strong educational foundation which inspires students to achieve academic excellence. Our dedicated faculty stimulates intellectual growth using a challenging curriculum within a supportive learning environment. We encourage students to become self-directed, lifelong learners who are well prepared for the academic and social challenges of the future.

The 2025-2026 Harding Township School District goals are inspired by and connected to the 2019-2024 Strategic Plan that was developed by key stakeholders. The 2019-2024 Strategic Plan was developed in conjunction with the New Jersey School boards Association and with participation from all major stakeholder groups. The District Goals were discussed by the Board of Education at their June 25, 2025 Board of Education meeting.

District Goal 1: Strategic Plan Goal Area: Identify Needs/Personalized Learning To identify learning gaps and measure the academic progress of our students through the administration of pre- and post-grade-level assessments in Reading, Math, and Writing that correlate with the NJSLS standards and Reader's/Writer's Workshop. Instruction will be differentiated to support the growth of all learners, including opportunities for students to engage in advanced learning when they are ready to go beyond grade-level expectations.

1) Reading progress will be measured by a DRA reading assessment administered to all K-2 students. Ninety percent (90%) of all K-2 students will be reading at grade level or will move up a grade level in the post-assessment results. All grade 3-8 students will be assessed using the STAR assessment. Ninety percent (90%) of all students will achieve grade level performance or improve by at least one grade level from their baseline assessment.

2) Math progress will be assessed using the STAR assessment which will be administered to all grade 3-8 students. Ninety percent (90%) of all grade 3-8 students shall achieve grade level performance or improve by at least one grade level from their baseline assessment.

3) Writing progress will be measured by a district developed writing assessment administered to all K-8 students. Ninety percent (90%) of all K-8 students shall improve one point (one quintile) on the grade-level District Writing Assessment in the post-assessment results. Students scoring a 5 shall be counted as having met the goal.

District Goal 2: Strategic Plan Goal Areas: Facilities and Safety To develop a draft of a Long-Range Facilities Plan for 2025-30, at the recommendation of the Superintendent, and subject to Board of Education approval.

District Goal 3: Strategic Plan Goal Areas: Community Input and Involvement
To prepare a draft plan for celebration of HTS' centennial to be held in 2026/27, pending Superintendent final recommendation, and Board of Education review and approval.
