June 1, 2026

Dear Parents,

For this coming fall, Hope Township and White Township's 6th - 8th grade students will continue learning together at White Township School. Both districts believe there are financial and educational benefits by combining our middle school population, and we are excited by the opportunities this partnership fosters for our students. In an effort to create a smooth transition for incoming 6th graders, we are having an orientation for them on **Monday, June 8th**.

On the morning of June 8th, Hope's incoming 6th grade students will visit White Township School for approximately 75 minutes. Students will have the opportunity to meet next year's teachers as well as the peers they will be learning with for the 2026-2027 school year. Additionally, there will be a parent session on the evening of June 8th @ 6:00 p.m. in the White Township gym. For the parent session, I will provide information to parents regarding this transition and give an overview of our middle school program. The goal is to provide this information sooner rather than later, so we can achieve our goal of facilitating a smooth transition for all students. As always, thank you for your understanding and support, and I look forward to seeing you on June 8th.

Sincerely,

William Thompson
Chief School Administrator
