Additional notes:

Calypso's Pet Salon is seeking a motivated and responsible student through a Bristol Aggie cooperative education partnership. This hands-on position is designed to provide real-world experience in the pet care, grooming, customer service, and retail industries.

The co-op student will work alongside experienced professionals and gain exposure to the daily operations of a busy pet salon and retail environment. Responsibilities will include animal care, bathing, brushing, basic grooming support, cleaning and sanitation, and retail assistance.

This form was created inside of Bristol County Agricultural High School.
