Welcome to Roosevelt Elementary School

At Roosevelt, we believe that school is about much more than what happens inside the classroom. It is about belonging, growing, helping one another, and creating memories together. We are proud of the strong sense of community that exists among our students, families, teachers, and staff, and we believe that when we work together, we can help every child reach their greatest potential.

We encourage our students to be curious and excited about learning—to try new things, ask questions, take on challenges, and learn from their experiences. We also believe that learning should be fun! Whether students are working together in the classroom, participating in a school activity, cheering on a friend, exploring a new interest, or simply sharing a laugh, we want every student to enjoy their time at Roosevelt and feel proud to be a Roosevelt Bear.

Our B.E.A.R.S. character education program reflects the values we hope to see throughout our school community. B.E.A.R.S. reminds us of the importance of being kind, rising to challenges, acting responsibly, and supporting one another. These values help guide us as we work to create a school where everyone feels welcomed, respected, valued, and included.

Being a Roosevelt Bear means being part of something special. It means looking out for others, celebrating one another's successes, lending a helping hand, and understanding that each of us has an important role in making our school community better.

As we begin another school year, I encourage our students to learn something new, help someone in need, try something challenging, make new friends, and—most importantly—have fun!

We are so excited to welcome our students and families back to Roosevelt. Together, we will learn, grow, laugh, and make this another wonderful year to be a Roosevelt Bear!

Once a Roosevelt Bear, always a Roosevelt Bear!

Welcome to Roosevelt Elementary School!
