Re: **Week of June 14, 2026 - Update**
Date: **June 19, 2026**

Here is a summary of my activities for the week of June 14, 2026.

- I participated in the MWMC/Goshen/Creswell Wastewater Quarterly Coordination meeting.
- I attended the July 4th Parade logistics meeting.
- I met with Sanipac to discuss city options in response to Lane County administration and staff recommending the closure of the Creswell Transfer Station in response to past budget management practices within the waste management program. A letter will be submitted to the County requesting they look at reducing the hours of operation first. Their own data shows about 15,900 customers and an operating deficit of approximately $113,000, or -$7.10 per customer. The station is open:
    - Wednesday: 8:00 AM – 6:00 PM
    - Thursday: 8:00 AM – 6:00 PM
    - Friday: 8:00 AM – 6:00 PM
    - Saturday: 8:00 AM – 6:00 PM
- I attended Planning Commission meeting on June 18.
- City offices will be closed on June 19 in observance of Juneteenth.

Anticipated Work – Week of June 21, 2026:

- June 22 – Council work session – UGB Expansion Area Planning Grant discussion.
- July 27 – Council work session – We will have two discussion items on the agenda. We will discuss the airport, its operation, funding and grant history. The second discussion will be concentration of convenience stores and fueling convenience stores within Creswell.

Upcoming Work:

- July 2 – monthly meeting with Mayor
- July 3 – city offices closed

Let me know if you have any questions or concerns.

With Gratitude,
