COMMUNITY UPDATES ON THE NEW HIGH SCHOOL

Keeping you in the know!

A NEW CHAPTER TAKES SHAPE

Demolition at the former Flint Central campus has reached a significant milestone. With the historic tower being preserved, the area surrounding the auditorium and library is now the only remaining portion of the original building.

Preparation for the new high school's foundation is expected to begin within the next week or so. This marks an important step toward transforming the historic campus into a new learning environment for Flint Community Schools scholars.

BUILDING THE FUTURE TOGETHER

Flint Community Schools recently welcomed community members to Potter Elementary for a conversation about the academic plan for the new high school. The session provided an opportunity to introduce the plan, share information about the school's academic direction and hear questions from those who will be part of its future.

Thank you to everyone who took the time to attend and engage in the discussion, as well as the Flint Center for Educational Excellence and Dr. Wanda Cook-Robinson for facilitating the conversation.

THE FUTURE THROUGH OUR SCHOLARS' EYES

Flint Community Schools scholars are already imagining the opportunities the new high school could bring. From modern learning spaces to having a voice in their educational experience, their perspectives help keep the focus on the next generation.

DEASIA GREEN
Holmes STEM Middle School Academy | 8th Grade
"I hope the new high school creates opportunities for all students to learn and enjoy school at the same time."

CHARMIELLE FRANCISCO
Southwestern Classical Academy | 12th Grade
"Scholars should be heard on their expectations from the school in order for them to give the trust and effort they long to give."

The voices of our scholars remind us that this investment is about more than a new building. It's about listening to the next generation and creating opportunities for every scholar to succeed.

BE PART OF THE STORY

The history of Flint Central and Whittier lives on through the people who walked their halls, taught in their classrooms and helped shape their communities.

Are you a Central or Whittier graduate, former educator or community member with a memory to share? We want to hear from you!

Share your photographs, memories and stories at **kwillis@flintschools.org** to help preserve the history and legacy of Flint Central and Whittier. Whether it's a favorite school memory or an old photograph, your contribution will help keep these important stories alive for future generations.

Honoring our history. Building our future.
