Have a Middle Schooler? Camp Is Still the Place for Them!

Our middle school campers will have the chance to earn community service hours—perfect for Boy Scouts, Student Government, Beta Club, and more! They'll still enjoy all the fun parts of camp like field trips and swimming, while also experiencing a positive, no-tech zone designed to build lifelong skills, confidence, and independence.

Not a Camper Anymore—but Not a Counselor Yet? Become a CIT!

Our Counselors in Training (CITs) will begin by completing a job application. If selected for a callback, they'll move into the interview process just like our staff. CITs do not have to commit to the entire summer, but they must choose their weeks at the start of the season. The program is $65 for members and $80 for nonmembers per week. CITs are also required to attend staff training. Grab a CIT flyer for more information!

Last Summer!!
