Ashburn/Dulles North Elementary School Attendance Zone Process
Redistrict Plan 280 Rationale

November 24, 2025

Redistrict Plan 280 uses Staff Plan R11 as the base with a few changes based on feedback.

Planning Zone DN02

Redistrict Plan 280 keeps planning zone DN02 at Steuart W. Weller ES which still allows for more students at Seldens Landing ES while allowing for planning zone DN02 to stay at Steuart W. Weller ES.

Planning Zones DN05.3 and DN17.2

To compensate for the changes to DN02, planning zones DN05.3 and DN17.2 will no longer be assigned to Steuart W. Weller ES. Now, planning zone DN05.3 will go to Ashburn ES instead of Steuart W. Weller ES, which is a pure feed to Farmwell MS/Broad Run HS and keeps that continuity. Planning zone DN17.2 will stay at Dominion Trail ES. There are fewer students in planning zone DN17.2, so it can be managed.

Planning Zone DN30.2

Planning zone DN30.2 has been moved from Hillside ES to Waxpool ES to further alleviate overcrowding at Hillside ES while keeping continuity to the community's middle and high school.

Planning Zones DS08.1, DS08.2 and DS08.3

The last change with Redistrict Plan 280 is that planning zones DS08.1, DS08.2 and DS08.3 will all go to Elaine E. Thomspon ES to further reduce capacity at Madison's Trust ES.

The other changes proposed in Staff Plan R11, not addressed in this Redistrict Plan 280 written rationale, will remain part of this Redistrict Plan 280.
