FROM THE OFFICE OF MR. BILL VALIMA

Superintendent/Principal 6-12

It's crazy that it was just "back to school" time and now here we are in December. It has been a great start to the school year. Every year around this time I like to stress the importance of attendance.

As we all know, one of the most important parts of a student's education is being here. Showing up for school has a huge impact on a student's academic success starting in Kindergarten and continuing through high school. Even as students grow older and more independent, families play a key role in making sure students get to school every day and understand why attendance is so important for success in school and on the job.

DID YOU KNOW?

- Students should miss no more than 9 days of school each year to stay engaged, successful and on track to graduate.
- Absences can be a sign that a student is losing interest in school, struggling with schoolwork, dealing with a bully, or facing some other potentially serious difficulty.
- By 6th grade, absenteeism is one of three signs that a student may drop out of high school.
- By 9th grade, regular and high attendance is a better predictor of graduation rates than 8th grade test scores.
- Missing 10 percent, or about 18 days, of the school year can drastically affect a student's academic success.
- Students can be chronically absent even if they only miss a day or two every few weeks.
- Attendance is an important life skill that will help your child graduate from college and keep a job.

Attending school regularly helps students feel better about school and themselves. Start building this habit in early elementary so they learn right away that going to school on time, every day is important. Good attendance will help children do well in high school, college, and work.

We understand that illnesses occur and family vacations cannot always be planned around school breaks. However, it is important to realize the impact that absences may have on your student. You can find our middle/high school attendance policy online in our student handbook.

If you haven't yet, follow us on Facebook @ https://www.facebook.com/superiorcentralschools where we post a lot of great things that happen at Superior Central.

I hope you all have a wonderful Holiday Season. Thanks again for giving me the opportunity to work with your children. As always, if you have any questions or concerns feel free to call me @ 439-5588 or email me @ bvalima@superiorcentralschools.org or better yet, stop in for a visit.

Sincerely,
Bill Valima
Superintendent/6-12 Principal

FROM THE OFFICE OF MRS. SUSAN KORPI Principal K-5

Happy December,

I want to begin by thanking all of our families for the great start to our school year. We had a great turn out for our elementary STEAM night. We want to thank Mrs. Silta and her 5th graders for running the robot stations for our families!

As we move into a busy season of school, activities and cooler weather, I want to take a moment to highlight the importance of screen-free play for our students. In the dark winter evenings it is easy to turn on a nightly movie or video game, but children also need time each day to explore, imagine and interact with the world around them without a device in hand.

Screen-free play builds problem-solving skills, strengthens creativity, and supports emotional well-being. Whether it's building a blanket fort, playing a board game, helping in the kitchen, drawing, or exploring outside, unstructured play gives children a chance to move their bodies, develop social skills, and practice the kind of flexible thinking that can't come from a screen.

I encourage families to set aside even a small amount of daily "unplugged time". You may be surprised by how quickly kids dive into imaginative activities when given the space—and how refreshing it can be for the entire household.

Thank you for partnering with us to support healthy habits that help our students grow into balanced, curious, and resilient learners.

Mrs. Korpi

Liberty Children's Art Project

Liberty Children's Art Project (LCAP), is a nonprofit art enrichment organization operating in Marquette and Alger Counties since 1996. I had the pleasure of collaborating with Superior Central 4th and 5th grade classes this fall for an artist in residence 7-week program. This series was inspired by artists of the U.P. including Jason Limberg who until recently was a resident of Skandia and now lives in Sawyer. We discussed what would inspire artists who live here, and what we can learn about art through their inspiration. Projects included abstract depictions of the woods made with watercolor markers and step by step procedures to draw animals which will result in prints made with carved foam and mounted on framed backgrounds. LCAP will continue with this series in the winter/spring semester with Superior Central's 3 rd grade class and the second group of 4th graders.

Carol Phillips, Director, Liberty Children's Art Project

SUPERIOR CENTRAL SCHOOLS HONOR ROLL

2025-2026 First Quarter

Congratulations to the following students for being named to the Honor Roll for the first marking period of the 2025-2026 school year. An * denotes all "A" grades.

UPPER ELEMENTARY SCHOOL

Mrs. Besant's 3rd Grade: Faith Bugge, Arya Buggy, Eloise Crick, Blake Daugherty, Drake Lovell, Lilith Mosher, Elenor Nayback, Amethyst Sims, Clara Szyszkoski

Mrs. Hill's 4th Grade: Hannah Beaupied*, Tanner Brown*, Nash DeVooght, Landon DuVall, Saige Grossman*, Elliot Hoel, Khalecy Howell, Jonah Kapp, Aubrie Livermore*, Kaisley Quarfoot, Ryan Silta, Rose Sims, Branson Tanner, Quinton Trobridge

Ms. Kulik's 4th Grade: Aubrie Baker, Hailey Balkum, Finley Charlebois, Shannon Crane, Deegan Denman, Bram Fulton, Ruby Heyrman, Brady Klyk, Silas Korpi, Scotty Munoz, Emmi-Lou Murdock, Christopher Raspor, Sky Saile, Kalina Schultz, Ryker Tanner

Mrs. Silta's 5th Grade: Stella Johnson, Isaac Kapp*, Mickey Knaus, Maizee Murdock, Vince Pasanen, Dallas Porter, Rolland Rondeau, Harper Taylor, Charlee Tyner, Stormy Tyner

MIDDLE AND HIGH SCHOOL

6th Grade: Nora Beaupied, Clara Brown, Nyah Bugge, Theresa Butler*, Robert Crane, Bailee Gregorich, Parker Hughes, Hayden Karvinen, Evelyn Kelly, Hayley Kimmen, Lizabeth Lindgren, Lydia Mallory, Henry Miller, Mercer Pasanen, Kruz Saile, Laney Slifka, Kennedy Stuer, Eli Tanner, Nolan Trader, Kinlee Tyner*

7th Grade: Ezra Gates, Riley Gohl, Ailie Heinonen, Elias Hughes, Clay Johnson, Grace King, Anthony Knaus, Aundraya Kulik, Henry Mallory, Maya Mosher, Bronson Owens, Malyki Owens, Asher Pasanen, Blake Pederson, Josyia Perron, Lane Porter*, Ellie Slifka, Sophia Sobieski, Matthew Taskey

8th Grade: Emma Beaupied, Edye Burdett*, Jacelyn Denman, William Kolpack, Larissa Lindgren, Harrison McDougall, Oliver Rondeau, Caleb Simon, Dominick Taylor

9th Grade: Kristy Brown, Gibson King, Aubrianna Kroupa, Jerry Kulik, Scott Losee, Violet Porter*, Gisela Schultz*

10th Grade: Marlene Johnson, Meredith Kempker, Alina Kolpack, Lillian Lindgren, Conor McDonnald, Kendra Pederson, Natalia Salmi, Lilly Simon, Emma Stoliecki, Kylie Stuer, Stevie Suhs, Aiyana Taskey

11th Grade: Peyton Adams, Connor Blomgren, Andrew Charlebois, Tristyn Davison, Teagan Hall, Rory Hancock*, Isaac Latvala, Zander Mullins, Kianna Perron*, William Spranger*, Harley Taylor, Hannah Theodore*, Lucy Tyner, Elijah Valima, Gavin Vining

12th Grade: Rowan Allender*, Joseph Augustyn, Gwenyth Charlebois*, Taylor Comes, Addie Frusti, Isaac Gleason, Clay Horne*, Jenna Hoy, Jack Kasten, Carter Korpi, Christopher Kulik, Morgan Martin, Kiera McDonnald*, Jack McDougall, Janessa Perron, Kylee Purdy, Marissa Strohm, Grey Trader, Ella Viau

October is Fire Safety Month!

The elementary students enjoyed a visit from the Rock River Fire Department on October 28th! We learned all about fire safety through a classroom presentation and then got to check out the fire trucks and equipment outside. Students loved spraying water from the hoses! Thank you to all the firefighters for coming in to speak with our classrooms!

Moose Wood Nature Center

The second and third grade classes visited the Moose-Wood Nature Center in October! We learned all about local plants and animals, took a bog walk, and enjoyed singing some special nature songs. We finished the afternoon with a visit to Lower Harbor and enjoyed the new playground before heading back to school.
It was such a fun day!

Cougar Quest

In early October sixty 4th and 5th grade students, along with a handful of brave parent chaperones and teachers, traveled to Clear Lake Educational Center for an overnight science camp! Students completed stations teaching them about tracks & scat, our local watershed, the carbon cycle and local wildlife. These stations were taught by local DNR and Clear Lake Education staff and included a variety of hands-on experiences.

Perhaps even more important than the educational activities, were the team building activities offered to the students. Cougar Quest is more than just a chance to learn about science—it is an opportunity for students to build teamwork, confidence, and lasting friendships. Students worked together in hands-on activities that encouraged communication, cooperation, and problem-solving, laying the foundation for a successful classroom community.

During our free time block, students were able to choose from a variety of options. Canoeing offered one of the most memorable team-building moments, as partners learned to paddle together, turn their boat and navigate the water. Fishing groups practiced patience from the dock and shore while sharing fishing tales (not much was caught by the rambunctious kids). During the nature photography hike students helped one another frame creative shots while appreciating the environment around them.

In the evening, cabins came alive with laughter as students prepared and performed skits around the campfire. These performances brought out creativity and strengthened bonds as groups worked together to plan, rehearse, and perform for their friends. Capping the adventure was the overnight stay in the cabins, for several students this was their first experience staying away from home.

This overnight science camp provides unforgettable memories and meaningful opportunities for students to grow—not only as learners, but as classmates and friends. Superior Central is extremely grateful for the community members who support our Sayklly's fundraisers, allowing our students to participate in Cougar Quest!

Isaac " Steam night went incredibly well. I learned that making mistakes can sometimes pay off. When I was running my station it was slow but the kids that came in loved it, the ghost wouldn't go in all the way. So we let them hit it in, but because it was the last shift of the night we let them hit it in hard. I was really happy with how it turned out."

Rolland "Steam night was really fun. It was pretty tiring but I had fun. We had some problems. First the balloon kept floating away so we put two pieces of tape on it. Also the robot died so we replaced it. I almost forgot we also ran out of balloons twice so we got more. Other than that steam night went really well."

Mickey "Steam night was kind of like a roller coaster honestly. So at first we were building a lego grabber. But it was the completely wrong thing. So that was 2 days down the drain. But then we built the right one. So time to program; we did it in about 2 days so that went pretty fast. But then it would not work at all the next day. So we stayed in from recess to figure it out. Then finally we built the jail and ghosts and we were done. All in all steam night itself went great and the kids loved it."

Charlee "Hi, my name is Charlee Tyner. I am in fifth grade. I am 10 years old and I went to Family steam night and it was so fun. There were so many stations to go to but I also worked a station. I worked with a robot that popped balloons. There was also good food there that you could eat."

Maizee "Hi I am Maizee Jane. I had a lot of fun. I got to run a station and it was very fun. I got to help everybody else. The only thing I thought was hard was explaining to kids. But I learned to explain well to kids. I got to also play some other games too. They were really fun. My favorite was to make your own stamp. Tons of kids came to our station. They said it was their favorite. I miss that I wont get to do this again."

"Steam night is where 5th grade chooses to make some games. They take shifts and kids come to play. The 5th graders tell the kids how to play. We had tons of fun games to play at steam night. We had a holiday adventure, pop a pumpkin, ghost busters, and many more. If I could do this again I would do it all over again."

Connar "My name is Connar and this was the best night ever because last shift was the best because we let people knock the ghost in as hard as they could. But this one kid named Tanner we let him kick it in just the once."

Stella "Hi I am Stella Johnson, this year I got to run steam night. This year I got put to the job to program a new robot. It was difficult but still very fun. The robot was called sphero RVR+ it has color cards to program it to. Me and my friend Stormy got to run the station. Our station was called Scarecrow Maize. It was not really a maize but the kids still loved it. There were some problems but we fixed them."

Elementary Ski Club

Calling all SKIERS!
Elementary Ski club is excited to begin its 4th year at Superior Central! We are planning on sessions starting after winter break concludes (weather dependent) and would love to be able to have every student that would like to participate included!
If you or a family member has cross country ski equipment collecting dust, please consider donating it to our club. We will continue with fundraising efforts so we can keep purchasing equipment. Our goal is to have every student who wants to ski outfitted to do so! Generous community support has been pivotal to our club's success, and we are so grateful!
We will have equipment fitting in December; be on the lookout for a flier coming home in your child's take-home folder.
We would love to expand to interested middle schoolers, however, equipment priority will go to elementary students first. If your student has equipment already, we are happy to have them join! Please contact Erin Beaupied if you are interested in volunteering or making a donation at (906) 439-5532, ext. 251.
Happy skiing!

School Bus Safety PSA: Winter Weather Edition

Attention students and families! As winter arrives, conditions at the bus stop are changing. Please help keep everyone safe by following these important reminders:

1. Stay Back and Wait for the Bus to Stop
   - Snow and ice make it harder for buses to stop.
   - **Take 10 extra steps back** from the road.
   - Always wait until the bus comes to a **complete stop** before walking toward it.
2. If You Drop Something—DO NOT Go After It
   - Never reach under the bus or run toward the road.
   - Signal the bus driver if you drop a football, homework, or anything important.
   - The driver will help you safely.
3. Dress for the Weather
   - Winter mornings are extremely cold.
   - Wear **coats, hats, gloves, and boots** to stay warm while waiting.
   - Be prepared for wind, snow, and ice.
4. Be Patient and Stay Alert
   - Buses may travel slower in snow and slush.
   - Holiday season traffic can also cause delays.
   - Your safety is the top priority.
5. For Students Who Drive
   - If you're running late, slow down and arrive safely.
   - Leaving earlier the next day is always the better plan.

Let's stay safe, stay warm, and make sure everyone gets to school and home without risk.
See you on the bus!

Exciting Things are Happening for Superior Central Bands

As the holiday season approaches, our music program is busier than ever, and we're excited to share some upcoming events and celebrations with you!

Mark your calendars for the Elementary Holiday Sing on Tuesday, December 9th, at 6:00 PM. Our youngest musicians have been working hard to prepare festive tunes to get everyone into the holiday spirit.

Don't miss the Middle and High School Band Concert on Tuesday, December 16th, at 7:00 PM. The evening will showcase the incredible talent and dedication of our older students as they perform a variety of seasonal pieces.

Our annual fruit sale is in full swing now through the first week of December. This is a fantastic way to support the band program while stocking up on delicious, fresh fruit for the holidays! Orders can be picked up on Monday, December 15th, after school, or before or after the concert on December 16th.

A special congratulations to two of our outstanding students—Madison Sanderson and Aiyana Taskey—for being accepted into the U.P. Honors Band! These talented musicians will represent our program at a special performance at Reynolds Recital Hall on Saturday, December 6th. We're so proud of their hard work and dedication!

Thank you for supporting our students and celebrating their achievements. We look forward to seeing you at these events as we wrap up an incredible semester of music!

Flag Football and Running Club

Thank you to all the Volunteer Parents and Community Volunteers for organizing Flag Football and Running Club this Fall for the Elementary Students. There were approximately 70 students that participated in Flag Football!

Thank you for all your hard work and dedication!

You are greatly appreciated!

PTO News

The first quarter is over and we're excited to share that the PTO got off to a great start this year.

The 2nd Annual Mom-to-Mom Sale was a big hit—with more seller tables than before and coffee sales for the first time. We're already getting ready for the Spring Carnival where there will be exciting games and activities for all students, plus awesome new games designed especially for our older students. Every year we look for ways to make these events even better.

Thank you to everyone who pitches in or helps out at our events—your support means a lot. If you volunteer your time, share resources, or just attend, every effort counts.

Our next meeting is coming up on Tuesday, December 2nd at 6:30 pm in the business office.
Hope to see you there!

School Volunteers: *Who are they? What do they do? How do I become one?*

A school volunteer is an important part of the school environment.
They pick up the gaps not covered by other staff, spark new ideas, do fundraising, chaperone, tutor, coach, etc.
The government defines a school volunteer as: a parent, community member or other adult who assist at a school site or program on a regular or semi-regular basis. Also included in this definition are those who help on a one-time basis transporting or working with children without the direct oversight of District Staff. Parents who observe or visit their child at school on a regular basis and stay more than 15 minutes each time are considered volunteers.

A Volunteer Criminal Record Check and History Affidavit are required for all volunteers.

All volunteers must complete a background check and provide a copy of their drivers license. It is required by the state, does not take very long, is of no cost to the volunteer, confidential, and is a precautionary measure for the safety of our students. Forms and information may be picked up at the High School or Elementary office.

Questions or concerns may be addressed to Bill Valima 906-439-5532 ext. 244

Shop Notes

This fall has been a busy one with multiple projects underway.

Our 7th and 8th graders made it to Valley Spur for their first real mountain bike ride. We were able to get about 35 riders on the trails for 2 hours of spectacular fall riding. This was a culmination of our Fix Your Bike Unit, where students learned how to repair, replace, and fix their own personal bikes.

Our Freshman Construction Trades and Advanced Construction Class spent a day on a Habitat for Humanity site in Harvey. Students framed walls, sheathed walls, and helped on numerous other tasks.

Our Advanced Construction class poured two concrete pads with the help of Charlie Hawley and his professional crew. One is for our school dumpsters and the other is for our garage shop build. We have been setting and sawing timbers for the last couple of months and will hopefully have the roof on shortly. This space will serve as a large project classroom/worksite moving forward.

Thank you to all of our sponsors this year. Curran and Company funded approximately $5,000 worth of new scaffolding. The Marquette Builders Exchange awarded us $1,400. Midway Rental and Sales, sold us the scaffolding at cost. We also made $1,200 on our old tool, slabs, and hoodie sale during conferences. These financial donations make our programs a success. Thank you!
