SALISBURY HIGH SCHOOL'S

DUAL ENROLLMENT PROGRAM

2026 - 2027

MORAVIAN UNIVERSITY

LCCC

1867 CEDAR CREST COLLEGE

SETON HALL

What is Dual Enrollment?

Dual Enrollment provides the opportunity for Salisbury High School students to earn college credits at a significantly reduced tuition rate while enrolled in high school. In partnering with Moravian University, Cedar Crest College, Lehigh Carbon Community College, & Seton Hall University, several Salisbury High School courses have been approved for college credit as these courses provide the same rigor and expectations as those taught on Moravian's, Cedar Crest's, LCCC's and/or Seton Hall's campus.

Potential Benefits of Dual Enrollment

- MU, CCC, LCCC & SHU courses are taken **at** SHS taught **by** SHS faculty

- LCCC courses can also be taken online or at one of their campuses.

- Cost effectiveness ~ $110.00 per credit for Seton Hall
  $67.00 per credit for Cedar Crest
  $100.00 per credit for Moravian
  $70.00 / $30.00 per credit for LCCC

- Depending on the college / university to which you are applying, Moravian CCC / Seton Hall / LCCC credits may be transferred. Please consult with the college / university you are planning on attending regarding credit transfers.

Transferring of Credits

- Credits could be a direct transfer.
- Credits could be a “free elective” transfer.
- It is at the discretion of the college / university to which you are interested to determine what / how many credits can be accepted.
- Contact college / university admissions to inquire. Be sure to use Moravian’s / CCC / Seton Hall / LCCC’s course name.

Example:
Temple University's Transfer Equivalency Tool
Kutztown University's Credit Evaluations

Salisbury Township School District is not responsible if credits are not transferable

Alumni of Dual Enrollment Report...

- Credits only; no grade for GPA.
- Course is not in my major. Dual Enrollment allowed me to satisfy an elective or other requirement.
- Satisfied my college foreign language requirement.
- Course is in my major, and Dual Enrollment allowed me to bypass an introductory level course.
- Completed my General Education requirements
- No credit awarded.

Considerations

- Cost (financial aid is not available for dual enrollment courses)
- Will the college I plan on attending accept the credits?
- Will I want to retake this course when I am at my college?
- Can I earn a C or better in this course?
- Do I test well? If so, would an AP score of 4 or 5 be accepted by my college?

Salisbury High School / Seton Hall University

Dual Enrollment / Project Acceleration Courses

2026 - 2027

English/Communications

SHS Course Title	*SHS Faculty*	*Seton Hall Course Code/Section & Title*
• AP Literature & Composition (Full Year)	Dr. Chris Butynskyi	ENGL2101-PLY (3 credits) English Lit & Comp = **$330**
