ACE
Adult Enrichment Classes

Always Evolving, Always Learning

The turning of the year is always a time for reflection and change. Whether that change is as simple as rearranging the furniture or as complex as a career change, the transition often takes some getting used to. Here at ACE, we believe that lifelong learning is an exercise in continuous change—a constant recharging of one's batteries, tuning the engine, mapping out pathways for exciting new adventures!

Join the community of curious and creative learners! We hope you will find your passion among the many courses available in this catalog. Our students also enjoy the social aspect of the classes they take, forming lasting friendships while pursuing shared interests. And let us know if there are topics that you would like to learn about that you do not see among our current offerings. Write to us about this—or any other matter—at ace.information@sarasotacountyschools.net.

At ACE we try to evolve constantly as well. To help us improve, when you take classes, please be sure to complete the evaluation the last day of class. Your feedback to these brief, anonymous survey questions help guide our future course offerings. We listen!

Thank you for choosing ACE, and we look forward to seeing you on our campus this winter.

Warmly,

Danelle Gilberti

WHY BECOME A PATRON?

If you like our offerings, sign up for a class!
If you love our program, become an **ACE Patron!**

Your contributions are *vital* to the continued success and growth of our program. Thank you for your trust and continued support!

Benefits for Patrons Contributing $60 or more:

- **Priority registration**– Increase your chances of getting into our most popular classes
- **Complimentary class & reception**– Enjoy a free class each term, selected by ACE staff (an $87 value), followed by a special Patron appreciation reception
- **Catalog & website recognition**– Available to Bronze level patrons ($250+) and above
- **Private ACE facility tours**– Available upon request
- **Dining or Salon Perk**– New Patrons and renewals receive a 10% off coupon for the Bistro 502 or Cutting Edge Salon located at Suncoast Technical College

FREE PATRON CLASS by Alan McKee

From "We" to "Me": How Popular Music Tracked America's Turn Inward

Wednesday, January 13, 2027, from 1:30pm-3:00pm at Suncoast Technical College, Sarasota

From the Beatles' "All You Need Is Love" to Joni Mitchell, James Taylor, and Jackson Browne's "The Pretender," trace how 1960s anthems of collective hope gave way to 1970s introspection. Listen, reflect, and discuss what that shift in popular music reveals about who we were, and who we are today.

Over the last 10 years, Alan has combined his lifelong love of music, movies, and American history, by teaching at the ACE program and speaking to groups about these topics and how they continue to impact our lives today.

Alan is the founder of two technology companies, Netwurx Technology Group, serving Sarasota businesses for 20 years, and Acurata, a firm that develops software for the Hospice industry. He has twice been recognized by Sarasota Magazine as a "Local Entrepreneur of the Year" honoree. In his spare time, Alan enjoys playing in a classic rock band and as a "Beatle-maniac" since 1965, is an avid collector of Beatles memorabilia.

Join Alan McKee and the ACE staff for refreshments and reception directly following the class.

Fee $29, FREE to ACE Patrons & Volunteers

WELCOME NEW INSTRUCTORS!

Join us in welcoming these new instructors to the roster for winter term. Each brings a unique skillset honed during years of dedicated work in their chosen profession.

Gabriela Balassiano brings a rich multicultural background and a passion for languages, communication, and education to ACE. Having lived and worked in Brazil, Israel, and the United States, Gabriela understands firsthand how learning a new language can open doors, foster connections, and bring cultures together. She looks forward to inspiring students to discover not only a new language but also the rich cultures and traditions behind it while teaching *Brazilian Portuguese* and *Modern Hebrew*.

Kristine Del Vecchio is a retired accountant and USF instructor of accounting. Her dedicated hobbies include calligraphy, sewing, quilting, and gardening as a Manatee County Master Gardener volunteer. She has developed her participation in the ACE courses for *Picture Framing and Matting* into an active avocation that she is looking forward to introducing to new students. Come learn how to save on framing costs by doing it yourself!

Catherine Henderson is certified by Canasta League of America and as a retired high school math and computer science teacher, she brings decades of classroom experience and a knack for making complex concepts click. Catherine discovered her love for *Canasta* while volunteering at a local senior center. She teaches structured beginner courses and supervised play sessions across the region, helping players master the rules and smart table strategy while enjoying the game.

Yvonne Holmes, is a native German speaker, who brings an authentic perspective and an international background to her *German* language classes. She has assisted U.S. Dept. of Defense personnel and American soldiers stationed in Germany with translation, cultural guidance, and navigating everyday life. Her teaching approach focuses on practical conversation, pronunciation, and cultural understanding. She believes that learning a language should be enjoyable and relevant to real life.

As a certified yoga teacher, educator, and mother, **Elisha Jennings** understands firsthand the importance of finding balance, managing daily stress, and creating space for self-care. Elisha's *Yoga* classes are accessible to students of all levels, so whether you are looking to expand your practice or to step on the mat for the first time, her yoga class is a fun way to build strength, balance, and confidence.

A native French speaker, **Héloïse Landry** hails from Quebec, where she taught French, drama, and ethics to students from Pre-K through high school for 25 years. Héloïse believes a language comes alive when used in conversation, music, stories, and theatre. A former journalist and a trained vocalist, she loves sharing *French* songs, films, and everyday expressions you won't find in textbooks.

Wesley Moy has served in the US Army, Dept. of Homeland Security, Defense Intelligence Agency, and other senior governmental positions. He taught at the National Intelligence College from 2000 until 2019 on topics including terrorism and intelligence analysis. He is president of the Tampa Bay InfraGard Members Alliance, a nonprofit that works with the Tampa FBI field office. Wesley's courses covering *Intelligence* and *Global Politics* are uniquely relevant for our time.

Helena Poto is an accomplished artist who began her career teaching art to children then pursued a Master of Fine Arts degree in Venice, Italy. In Sarasota, Helena owned an art gallery known for nurturing new talent. She is currently a Visitor Experience Associate at Sarasota Art Museum, where she explains the exhibits to the public. She is excited to teach *Art Appreciation* this winter.

Joe Rendace is a certified professional trainer with experience across multiple disciplines. His teaching experience includes Information Technology, Screenwriting, and Pickleball. A published novelist and early adopter of Generative AI, Joe combines his passion for learning, creativity, and technology with a hands-on approach to teaching. His courses for ACE will be diverse, too, ranging from *AI* to *Podcasting* to *Pickleball*.

Vincent van Exel will be introducing ACE students to *Archaeology* and the *History of the Middle East*. He has worked on multiple excavations in Syria and Turkey, at sites ranging from prehistory to the Hellenistic period. Although he is presently a software engineer, his fascination with the ancient world has never faded. Vincent will share what buried cities, art, and artifacts reveal about the ancient peoples that left them behind.

CLASS HIGHLIGHTS

Old Art—New Ideas

No matter how old the artwork or structure, it holds messages relevant to our time. Start your excavations with **The Ancient Middle East**: **Prehistory and the Agricultural Revolution**, then continue with courses on **The First Civilizations**, **The Bronze Age**, and **Assyria**, **Babylonia**, **and Persia**. No need for a hard hat! Take a private tour of breathtaking collections in **Art**, **Status**, **& Prestige**: **Private Collectors of the Renaissance** or **Royal Patronage**: **Kings**, **Queens**, **and the Art of Power**. A unique history of fabric and paper art is presented in **Piecing It All Together**: **An Exploration of Collage**, **Quiltmaking**, **and Other Forms of Visual "Sampling."** And for a fictional twist on art history that will make you think about more than art, try **Thomas Schlesser's "Mona's Eyes"**: **Art or Reality?**

The State of Affairs

Have you ever wished you could be a fly on the wall in rooms where momentous events happened? Now you can, with the course **In the Room Where It Happened**: **Decisions That Changed the World**, which examines four events that shaped history, including Truman's decision to drop the atomic bomb. The U.S. Constitution is always a hot topic, and our course **"We the People"—The Impact of the Constitution Today** looks at how this foundational document is supposed to work and how it has been tested. Music as a historical document and cultural voice of the 20th and early 21st centuries is examined in **Music as a Mirror of 20th Century American Society**. **The Jewish Legacy in America** surveys the outsized contributions of Jewish-Americans to all aspects of American society and culture.

Movies, Music & More

Everyone has a favorite movie, TV show, or music genre, and our winter term courses highlight something for everyone, from **The French New Wave**: **The Rebels Who Changed Filmmaking**, to **Seinfeld**: **The Show About Nothing**, to great directors such as **Blake Edwards**: **From the Pink Panther to Victor/Victoria** and **Christopher Nolan**: **From the Apex to the Nadir and Back**. Survey courses such as **Top 10 Movie Comedies** or **Movies So Bad They're Good** are always popular. If you'd rather turn up the music, tune in to **Movie Musicals Part 3**, **1950s-1980s** and **The Great American Songbook Parts 1 and 2**. Want to get in on the action? Try **Acting for the Curious** or one of several voice classes, such as **Understanding Your Changing Voice** or **Voice Class**: **Learning the Best Way to Sing**.

A Way with Words

Though we may not think our life has been anything special, kids often love our stories of "how it used to be." Learn how to tell your story in courses such as **Write Your Life Story**: **Guided Autobiography** or **Writing Your Own Obituary**. Explore a free-form way of writing in **Writing Through the Senses**: **A Joyful Way to Unlock Your Intuitive Voice**. Sights set on Hollywood? Try **Intro to Screenwriting**. Poetry? We've got you covered! There's **Poetry Bootcamp**. **Creative Writing Workshop** is an introduction to the craft, open to all. Whether planning travel or just wishing to stretch your brain, learning a language is a powerful exercise! This term, choose from new languages—**Brazilian Portuguese** and **Modern Hebrew**—as well as **German**, **French**, **Spanish**, **Italian**, **Mandarin Chinese**, **Arabic**, and **Japanese**.

CLASS HIGHLIGHTS

Reconnect with Yourself

"Mindfulness in all things" is the mantra of the age: A life of intention means developing the self-awareness that promotes health in body and mind. Start out with **Create Your Best 2027**: **Let Go**, **Get Clear**, **and Live With Intention**—the title says it all! Continue your journey with courses such as **Boundaries Without the Guilt**: **How to Protect Your Time**, **Energy & Relationships** and **Stop Second-Guessing Yourself**: **Build Self-Trust and Make Decisions With Confidence**. A new course examines our fraught relationship with money: **Show Me the Money! Unveiling Beliefs About Money and Happiness**. For nutritional and medical awareness, consider courses such as **Feel Your Best Through Ayurveda**; **Protein for Midlife & Beyond**: **Simple Ways to Support Strength**, **Energy**, **& Healthy Aging**; and **Healthy MENtality**: **Lung**, **Prostate**, **and Colorectal Cancers and How They Affect Men**.

Technology Meets Creativity

The debate is over: AI is here to stay. So learn to use this complex tool to your advantage! Whether you need to research an idea, design a project, or edit your writing, AI may help, if you ask correctly. And remember, it's a machine, not a human. Learn how to wrangle AI in courses such as **Artificial Intelligence**: **The Art of the Prompt** and **Artificial Intelligence**: **Research and Writing**. Make sure your interactions with AI are secure with **Artificial Intelligence and Online Safety**: **Protect Your Privacy and Avoid Scams**. If you'd rather talk to humans, become a podcaster! **Podcasting 101** is for folks who have lots to say and nowhere to say it. Learn to develop your concept, find your audience, choose a format, and plan your episodes. You'll be live in no time!

Adventure Awaits

All aboard for this winter's exciting Day Trips! In February, take a narrated **Boat Tour of Historic Sponge Docks**, where you'll learn about Tarpon Springs' historic sponge-diving industry. After the cruise, explore the town, which is known for its rich Greek heritage. In March, visit the beautifully restored **Historic Heard Opera House in Arcadia**, which includes a tour and a special two-hour performance. Explore Arcadia's popular **Second Saturday Market** event on Main Street, with local farmers, artisan crafters, specialty vendors, food trucks, live music, and community activities. For further exploration of Sarasota and the region, check out the **Classroom on Wheels**—an ACE feature for over 50 years. Each term, the Blue Bus visits several different venues, introducing you to people and places in your own community that you may not have realized were there.

Take the Plunge into Art

Many artists created major works—or even began their careers—late in life. Grandma Moses didn't start painting until age 78, and Henri Matisse created his vibrant paper cutouts in his 80s. It's never too late to pick up a crochet hook, pencil, or brush. New courses include **Botanical Gelli Prints**: **Print**, **Layer**, **& Create** and **Garden Art**: **Totems With Personality**. Art is all about personal expression, and the course **Collage and Mixed Media**: **Creating Art With Personal Meaning** is a perfect way to get your feet wet. Do you have art that you'd like to frame but cringe at the high cost? Try doing it yourself with **Picture Framing and Matting**, **Beginning**. Other beginning courses include **Pastel Palooza**: **Beginning Pastel Painting** and **Introduction to Crochet**—because crochet is so much more than doilies and hats!

CERAMICS

Each ceramics class includes up to 25lbs of clay, glazes, and firings. Additional clay available for purchase. All clay and glazes must be provided by ACE (no outside clay or glazes allowed).
Note: ACE is a school not a production studio. Quantities are controlled by the Lab Technician who manages firings for all ACE ceramic classes. Kiln size determines piece size and firing schedule. There are size limits on pieces due to kiln size.

Registration is SIMPLE & CONVENIENT

ACE OFFICE HOURS

8am-5:30pm Monday–Thursday & 8am-3pm Fridays

CLOSED December 19–January 3 for Winter Break

ONLINE PHONE IN PERSON

THREE EASY WAYS TO REGISTER

1. Online Registration: Visit **ace-sarasota.com** to see available classes, full descriptions, dates, times and prices. Simply log on to your home computer, laptop, tablet or smartphone.

—NEW STUDENTS— New students will have to create a unique username and password for each individual before logging in and registering for classes.

—EXISTING STUDENTS— Existing students merely log in and go straight to the Course Catalog and register for classes. **Confirmation e-mails are automatically sent upon registration.*

2. Telephone Registration: Register by calling **941-361-6590** during normal business hours. You may call any time up to the day of the first class. Please have your credit card ready when you call.

3. In Person Registration: Register in person at the ACE Sarasota office, located at Suncoast Technical College, 4748 Beneva Road. We are located on the west end of Bldg 3, with a green accent wall. You may pay with credit card or check. We no longer accept cash.

ALL FORMS OF REGISTRATION CONTINUE UNTIL CLASSES BEGIN OR FILL.

ACE
Adult Enrichment Classes

POLICIES & GENERAL INFORMATION

Student Fees
ACE is a fee-supported adult enrichment program offered by Sarasota County Schools. Enrichment classes receive no funding from any source other than student-generated fees & donations.

Registration Confirmation
A copy of the registration receipt is emailed to students when registering online or by phone. Your receipt contains important information. Please print or have a digital copy of your emailed receipt and bring it to class with you.

Cancellations
ACE reserves the right to cancel a class due to insufficient enrollment. Cancellations are typically determined 48-72 hours prior to the start of class. Students are notified by phone or email and will receive either an ACE credit, a full refund or may transfer to another class, space permitting.

Refund, Withdrawal, and Transfer Policy
- Refunds are available only if ACE is notified at least **48 hours prior to** the first day of class (excluding weekends and holidays).
- **One-day classes** and material fees are **nonrefundable**.
- There are **no refunds** once the class has begun.
- No refunds or make-ups will be given for **missed classes**.
- **Withdrawals** must be made by phone or in person; email requests are not accepted. ACE must be notified at least **48 hours prior to** the first day of class (excluding weekend and holidays). A $15 processing fee per class applies to all student-initiated withdrawals. Allow 10–14 days for refund to be processed.
- **Transfers** must be requested at least **48 hours prior to** the first day of class (excluding weekends and holidays). A $10 processing fee applies to all student-initiated transfers.

Returned Checks & Credit Card Disputes
A $30 process fee will be charged for any returned check or credit card dispute/charge back. The original class fee, along with the $30 fee must be paid in full before registering for future classes.

Make-up Classes
Students are notified by phone and email if a class is canceled or postponed. It is important that current phone numbers and email addresses are on file. Students are informed of the make-up date once established.

Supplies & Books
Supplies and books are included in the cost of the class ONLY where noted. Supply and book information is found on the website: ace-sarasota.com or may be obtained by calling 941-361-6590. Please wait to purchase your book until after verifying the class has met its minimum enrollment.

Liability
Students who attend ACE classes agree to waive and release all claims of personal injury or property damage regardless of the class location.

Age Policy
Adult Enrichment classes are open to adults, age 18 years and older, unless otherwise noted.

Visitors
Visitors and pets are not allowed in classes. All class participants must be registered through the ACE office. All students actively participating/observing a class, whether in-person or online, must be registered. No class sampling is allowed.

Student ID Badges
Student ID Badges must be worn when attending classes on any school campus.

Photos
Photos may be taken in ACE classes and of projects created during classes and utilized for the purpose of promoting ACE. Students may step aside if they do not wish to be included in the photo.

Parking
Parking is free for all ACE students. Obtain your STC parking tag at your first on-campus class.

Smoking
No smoking on any school campus.

The Sarasota County School Board prohibits discrimination in the terms and conditions of employment, and in access to educational programs and activities, and prohibits harassment of any individual or group on the basis of race, color, national origin, religion, sex, age, disability, marital status, sexual orientation or genetic information (and other protected classes included in the district's nondiscrimination policies). Sarasota County Schools offers multiple career and technical programs wherein students may earn industry certification. The district may assess each student's ability to benefit from specific programs through placement tests and counseling, and, if necessary, will provide services or referrals to better prepare students for successful participation. Lack of English language skills will not be a barrier to admission and participation. Any person who believes he or she has experienced any such prohibited discrimination may file a complaint with the district Equity Coordinator, Al Harayda. If you have any 504 questions or concerns, please contact the district 504 Coordinator, LaShawn Frost. The district coordinators can be contact by calling (941) 927-9000, or by writing to 1960 Landings Blvd., Sarasota, FL 34231.
