EAGLE EYE NEWSLETTER

August 2026

The Month In Review

A Note From the Principal.

Dear TBES Families,

What a wonderful start to the 2026–2027 school year! As we wrap up August, we want to thank our families for helping make our back-to-school opening such a smooth and successful one. From Meet the Teacher and the first-day excitement to establishing routines and settling into learning, we appreciate your patience, flexibility, and partnership.

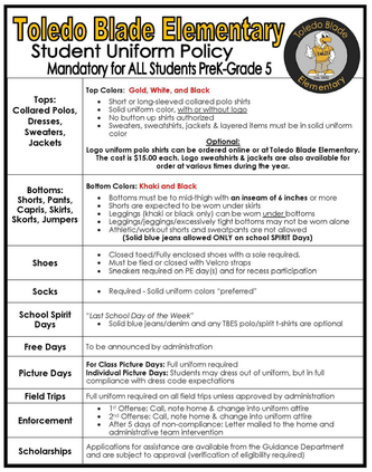
Our students have done a fantastic job learning classroom expectations, building relationships, and getting back into the rhythm of school. We are excited about the year ahead and all the opportunities our Eagles will have to learn, grow, and **Soar to New Heights!**

As we move forward, we encourage families to stay connected and involved. Check backpacks and school communications regularly, talk with your child about what they are learning, attend school events, and reach out when you have questions. We also welcome family and community volunteers! Whether you can give a little time or become involved on a regular basis, your support makes a meaningful difference for our students and staff.

Thank you for trusting us with your children and for being an important part of the TBES community. We are grateful to have our students, staff, and families "***On the Course for Success***" together!

All the best,
Mrs. Dolciotto :)

Uniform Policy Reminders!



At Toledo Blade Elementary, all students are expected to follow the approved uniform policy:

- **Tops:** Black, Gold, or White
- **Bottoms:** Black or Khaki
- **Layered items/outerwear:** Must also be in a solid uniform color

If a student arrives out of uniform and needs a change of clothes, they will be sent to the clinic to borrow appropriate attire for the day. If the clinic does not have the correct size, a parent/guardian will be contacted to bring a uniform-compliant change of clothes.

We also ask that any previously borrowed clinic clothing be returned promptly so it can be available for other students in need.

- All visitors must present photo identification and sign in at the front office upon arrival

Thank you for helping us maintain a safe and welcoming environment for all students!

Food & Nutrition Meal Benefits Program

A new meal benefits application must be completed at the beginning of each school year for eligibility to continue. Benefits begin on the day the application is processed by Food and Nutrition Services and remain in effect for the duration of that school year.

We encourage **all families** to apply, as eligibility is determined by household size and consistent income. Completing the application ensures that your child has access to available benefits without interruption.
