Eagle Eye Newsletter

October 2024

A Note From the Principal.

Dear TBES Families,

As October comes to a close, thank you for your continued partnership and enthusiastic support that helps make TBES a wonderful place for our students to learn and grow. Your collaboration between home and school is at the heart of our Eagle community, and we are grateful for the many ways you support your children's education. Whether you're volunteering in the classroom, joining a school celebration, your involvement makes a difference every day.

Thank you for bringing that same enthusiasm to our upcoming events, including Veterans Day and Red Ribbon Week. **The Color Run** is on 11/20/2024 . We appreciate your participation and support and hope you have fun with our school. :)

We have officially completed the first quarter, and we are proud of our Eagles for their hard work and dedication to their academic success. Please be sure to check out the **Game Game Party**. Those who consistently demonstrate the **3 R's** and push out of bottom 2 charts, and students also had the opportunity to spend their hard earned **Eagle Bucks during TBES Shopping**. It has been a joy to watch the growth and confidence that has blossomed.

We look forward to many fun events on the holidays approach. Please stay connected through email, our school website, and Facebook for important reminders, upcoming events, and opportunities to participate.

Don't forget to **Tell Sarah!** We received 100 your checks back and our fundraiser ends October 31, so we plan on raising over on Sunday, November 3.

Thank you for being such an important part of our Eagle community!

Warmly,
Jennifer F. Dulcimits

Sign-Up Today!

Food & Nutrition Meal Benefits Program

A new meal benefits application must be completed at the beginning of each school year. Applications are available to begin on the day a student is processed by Food and Nutrition Services and remain in effect for the duration of that school year.

We encourage all families to apply as eligibility is determined by household size and consistent income. Completing the application helps our school receive additional funding to support our students.
