Welcome to Parkland Elementary, a proud Purple Heart Campus dedicated to honoring and supporting our military-connected students and families. We recognize the sacrifices made by our service members and their loved ones, and we are committed to creating a welcoming, supportive, and inclusive environment where every child can thrive academically, socially, and emotionally.

At Parkland Elementary, we value the strength, resilience, and leadership that military families bring to our school community. Our staff works diligently to ensure smooth transitions, meaningful connections, and access to resources that support the unique needs of military-connected students. We are proud to stand alongside our military families and thank them for their service and sacrifice to our nation.

It is an honor to serve those who serve our country.

Sincerely,
Maribell Guevara
