Ysleta Independent School District

Pebble Hills Elementary School
11145 Edgemere Blvd, El Paso, TX 79936
915-434-5600

Dear Military Parents and Families,

Welcome to El Paso and welcome to our school community! Whether your family has recently arrived at Fort Bliss through a Permanent Change of Station (PCS) or you have called the Sun City home for years, we are honored to welcome you and your child to our campus.

We understand that military life brings both incredible opportunities and unique challenges. Frequent moves, deployments, training schedules, and adjusting to new environments can affect the entire family, especially children. Please know that our school deeply values the sacrifices your family makes in service to our country, and we are committed to supporting you every step of the way.

Our mission is to create a safe, caring, and engaging environment where every student feels welcomed, connected, and empowered to succeed. We strive to make our school a place where military-connected students can build friendships, gain confidence, and thrive academically and emotionally.

How We Support Military Families

To help students transition smoothly and feel at home from the very first day, we provide several supports designed with military families in mind:

- **Seamless Transitions:** Our staff understands the academic and emotional impact that frequent relocations can have on students. We work closely with families to ensure records transfers, class placements, and support services such as IEPs and 504 plans are handled efficiently and with care.
- **Student Connections:** New students are paired with classmates or peer mentors who help them learn campus routines, navigate their new environment, and quickly begin building friendships.
- **Strong Communication:** We believe education works best when schools and families partner together. Our teachers, counselors, and administrators maintain an open-door policy and encourage families to communicate any updates or concerns, including upcoming deployments, temporary duty assignments (TDY), or family transitions.
- **Social and Emotional Support:** We recognize the resilience military children demonstrate every day. Our staff is dedicated to providing encouragement, stability, and resources to help students feel supported during times of change.

Get Involved

We encourage you to become an active part of our school family. From volunteering and participating in campus activities to attending family events and parent meetings, there are many opportunities to connect with other families and build lasting relationships within our community.

Please watch for information regarding our upcoming back-to-school orientation and family events. These gatherings are a wonderful opportunity to tour the campus, meet teachers and staff, and connect with fellow military and local families.

Thank you for your service, sacrifice, and trust in our school. We are excited to partner with you and look forward to an amazing school year filled with growth, learning, and success for your child.

Warm regards,

Irene Youngs
Principal
