Parkland ECHS Admission Policy

- All 8th grade students from YISD are eligible to apply/enroll into Parkland Early College High School.
- All 8th grade students from El Paso County are eligible to apply/enroll into Parkland Early College High School as long as they meet the requirements for transfer students into Ysleta ISD.
- Only complete applications will be considered for admission.
- All completed applications received before the application priority deadline under the 125-student cap will be admitted. If there are more than 125 applications received, a lottery will be held to determine admission, and a waiting list will be created.
- Applications received after the priority deadline will be considered if there are seats available.
- In special circumstances, additional ninth graders, who meet the criteria for Early College High School, will be allowed to apply for any available openings in the cohort, as long as they do not exceed the maximum of 125 students. These students will be integrated into the existing cohort.
