Please provide written answers for the numbered items I have highlighted. Please have the answers ready for Friday's meeting.

1. PAC webinar and office hours – thank you for submitting your renewal application as prescribed by your district and EPCC. Will you please provide me with a written summary of your experience with the process now that some of the glitches from last year have been addressed.

2. Review: Outcome Based Measure - Access OBM – I will review this at the meeting on Friday.

3. Enrollment requirements for college credit courses – please provide me with the number of students enrolled in College Connect courses for the Fall and Spring semesters.

4. Save the Date: Regionals/Convenings – February 27th at the Radisson in El Paso.

5. Bridge camp – provide me with the dates and times of your summer bridge camp. Indicate the number of students who attended the summer bridge camp and a summary of the curriculum.

6. Enrollment for: - as we begin the recruitment and enrollment process for school year 2026-2027 what is your plan? I would like you to focus on Access OBM and make sure that we are meeting the Eco Disc and At-Risk indicators for this OBM.
    - Marketing and recruitment initiatives…What is working? What would you do differently?

7. TSI status for the current cohort – please provide me with your TSI passing rate for each of your grade levels.
    - What is working?

8. Challenges and success stories – I have provided you with Design Elements from our ECHS blueprint. Choose two (2) challenges from the list and indicate how this is a challenge for your campus and what the campus is doing to address these two challenges. Choose two (2) strengths from this same list and indicate how these two strengths enhance your early college program.
