

FASTBRIDGE

Attention RMS Families – Fall SAEBRS Screening on 9/28/26

The purpose of this letter is to inform you that we will be completing our first SAEBRS screening on September 28th, 2026.

The **FastBridge Social, Academic, and Emotional Risk Screener (SAEBRS)** is a 19-item assessment of students social, emotional and academic behaviors. This short survey will be completed by each classroom teacher.

MySAEBRS is the Social, Academic, and Emotional Behavior Risk Screener. It is an evidence-based assessment that allows students to self-assess their social, academic, and emotional behavior competencies. Students complete the self-assessment by rating the frequency of their behaviors in the previous month using a rating scale of “Never”, “Sometimes”, “Often” and “Almost Always”.

WHO
SAEBRS - All students grades K-12 MySAEBRS - Students grades 2-12
WHERE
SAEBRS -Teachers will be completing the student rating scales individually for each student in their room. Teachers will be provided with time to collaborate with students spending time with multiple teachers across their school day. MySAEBRS - Students will complete the mySAEBRS risk screener within their classrooms on individual devices.
WHEN
Screening will take place on September 28th, 2026, and will be held 3 times annually.
WHY
SAEBRS and mySAEBRS data is useful to educators for overall program evaluation in classrooms and determining how each student can be best supported for academic success. This data will be used to determine what supports need to be in place for students through our Second Step social emotional curriculum. The data can be reviewed at parent teacher conferences.

If you would like to have your child opt out of participating in the mySAEBRS self-assessment, please contact the office at your child’s school or email your child’s principal no later than **September 25th**.

Teachers will administer mySAEBRS on **September 28th**.
