New ParentVUE App

The current version of the ParentVUE mobile app is being retired.
Here's how to download the new app.

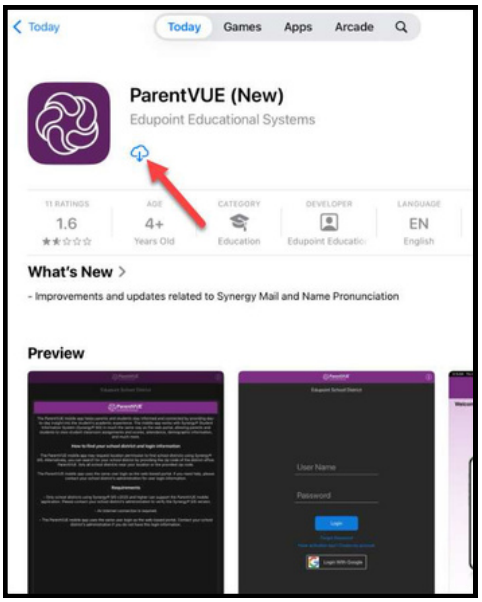

Step 1

Open the current ParentVUE app. When prompted, tap **Download.**

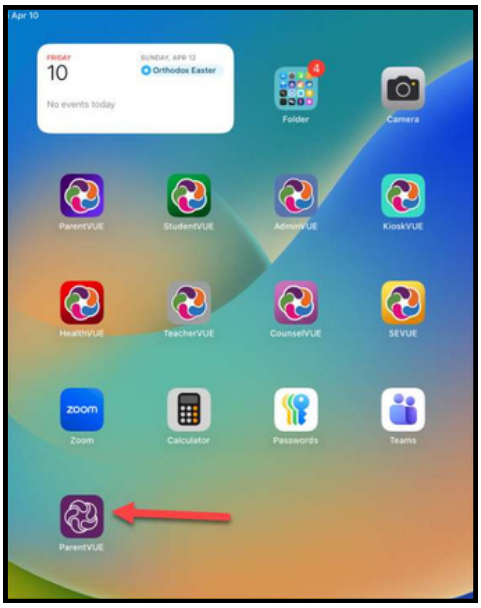

Step 2

The App Store or Google Play Store will open. Tap the **Download/Install icon.**

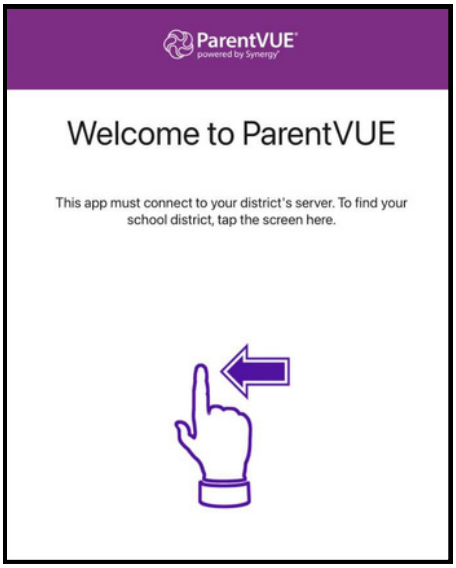

STEP 3

Open the new ParentVUE app when it's done downloading.

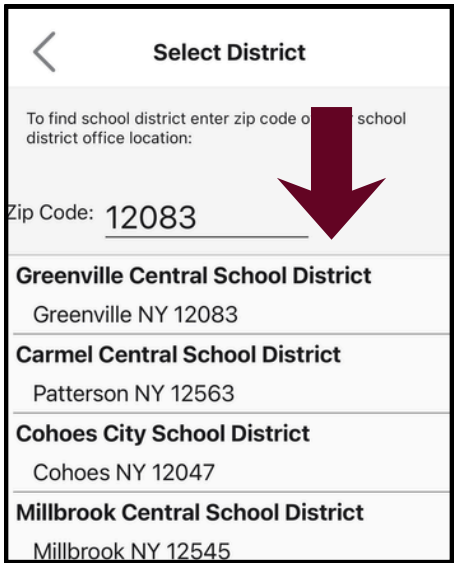

Step 4

Swipe left to select our District.

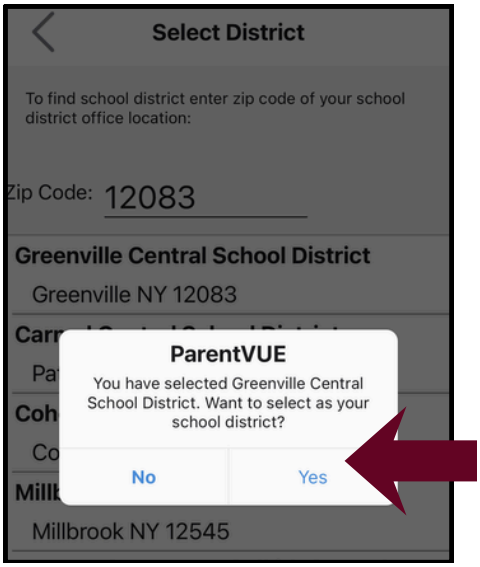

Step 5

Enter our **ZIP Code (12083)** to find Greenville.

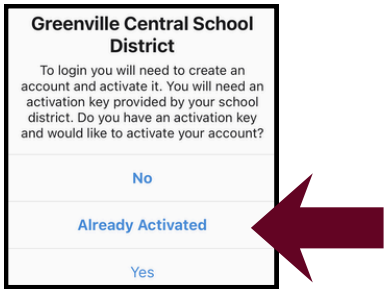

Step 6

Select Greenville and tap **YES** to confirm when prompted.

Step 7

Tap **Already Activiated** then login using your existing username and password. You DO NOT need to create a new account.

Step 8

Delete the old ParentVUE app. You're all set!
