- **Welcome back and Happy New Year! I hope you had a wonderful and relaxing two weeks with your kids at home! We're so excited to have them back and look forward to a wonderful second half of the school year! Getting back into the swing of things can be difficult - please remember that routines, limiting screen time, and consistent bedtimes are powerful ways to help bring success for all!**

Next week, all classrooms will participate in Play It Safe Lessons provided by the Children's Advocacy Center in St. Joe. These safety lessons are developmentally appropriate ways to teach all students about staying safe. Please contact your child's teacher if you have any questions, or email me at hclark@eauclaireps.com

- Important reminder: Winter weather requires proper outdoor wear for all students. Everyone goes outside for recess daily unless a doctor sends a note saying otherwise. Fresh air - even when it's cold - is so good for us and everyone needs the chance to RUN! Please be sure to send your child with boots, snowpants, coat, hat & gloves, remembering that all students will go outside for approximately 20 minutes daily.

  **If you are unable to provide your child with boots or snowpants & coat, please contact Ms. AJ immediately so that we can find the support you need!
