Fall Leadership

Four South Prairie FFA members attended the Fall Leadership Conference in Bismarck at the end of September. The FFA Fall Leadership Conference brings FFA members together to build leadership skills, connect with other students, and learn more about agricultural education. Held in the fall, this conference focuses on helping students grow as leaders both in and out of the classroom. During the conference, Miley Nelson, Jase Schilla, Breanna Mindt, and Brekken Neshem participated in workshops, team-building activities, and listen to inspiring speakers. They also get the chance to learn about FFA opportunities, develop confidence, and strengthen their communication and teamwork skills—all in a fun and supportive environment.

September Meeting Bonfire & Cornhole

Officer Retreat!

@ BISMARCK ND

At the officer retreat, we stayed at a hotel where we spent time planning events and activities for the upcoming year. We focused on building our teamwork and leadership skills through group discussions and team exercises. To wrap up the trip, we had a great time bonding during a fun riverboat cruise and challenged ourselves in an exciting escape room. It was a productive and memorable experience that helped us grow closer as a team and get ready for a great year ahead!
