Parent Resource: Creating a New Canvas Parent Account

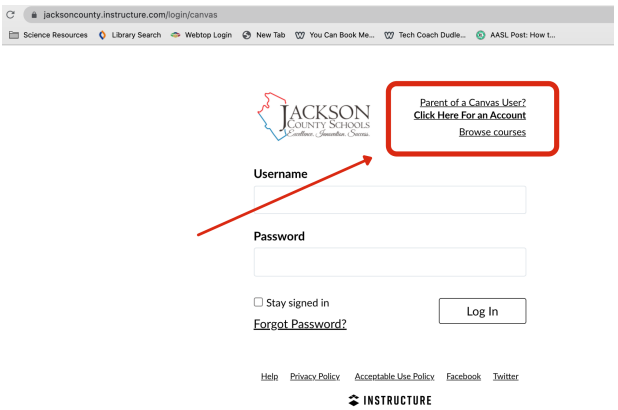

This is for those parents who **DO NOT** have a Canvas Parent account. If you already have an account please login. If you can't remember your password, then click the *Forgot Password* option and follow the prompts. If that doesn't work, please contact Kim Sheets, Technology Coordinator - ksheets@boe.jack.k12.wv.us

Gather your student pair code before proceeding

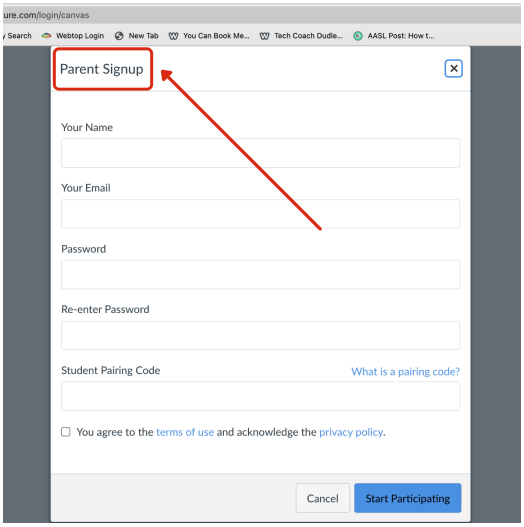

1. Open the Jackson County, WV Canvas website:

   https://jacksoncounty.instructure.com/login/canvas

2. Click **Parent of a Canvas User? Click Here For an Account.**

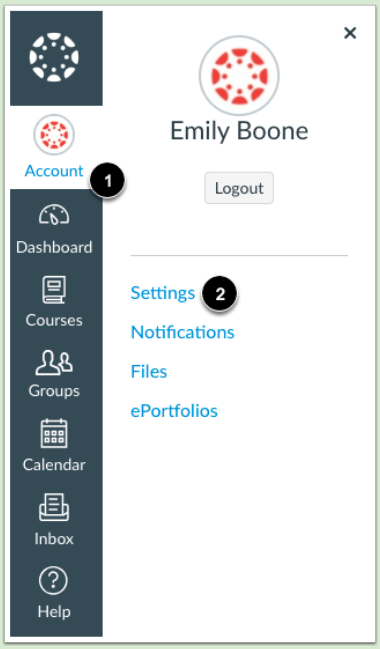

3. Enter **your name, your email address and your password.**
   Enter your **Student Pairing Code**
   Make sure to check you agree to the terms of use.

   Instructions for generating a student pairing code

   Adding Additional Student Instructions

Give the pair code to your family/parent/guardian so they can create an account.
See the **Instructions for Creating a Canvas Parent accoun**t.

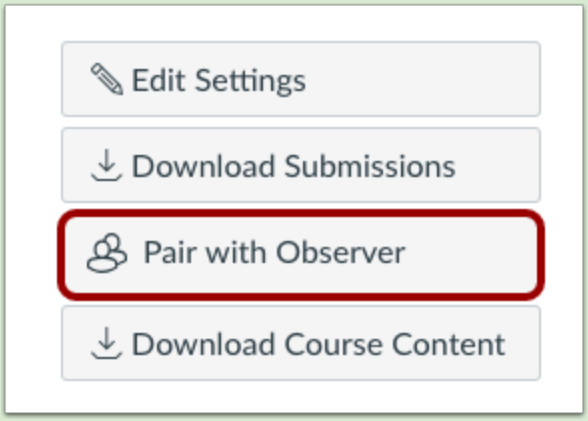

To Generate Pairing Code

Students can login here:
https://jacksoncounty.instructure.com/login/canvas

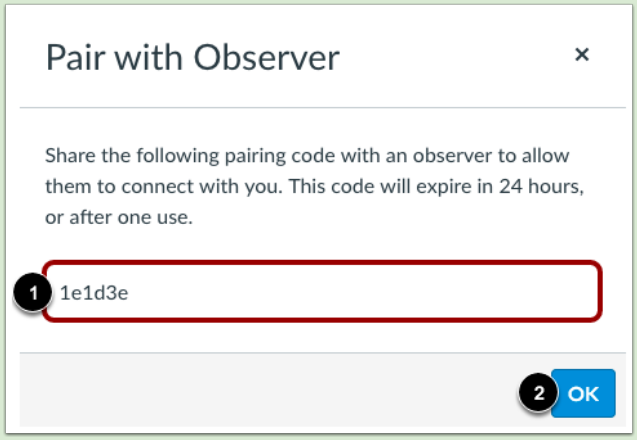

1. **The Student should:** Open their account settings.
In Global Navigation, click the **Account** link [1], then click the **Settings** link [2].

...or contact your school admin or teacher to receive a pair code.

2. On the right hand side, Click the **Pair with Observer.**

Questions? Contact your child's school if you have questions.

3. Copy the alphanumeric pairing code [1]. **The pairing code will expire after seven days or its first use.**

** If multiple family members want to link to the student, you will need to generate a new code for each of them.*

Questions? Contact your child's school if you have questions.
