August 2025 SRO Newsletter

SRO Danny Tusler

Hello, everyone, and welcome back! Another GREAT school year is upon us!

I would like to introduce myself to those of you who don't know me. I am Deputy Danny Tusler, the School Resource Officer here at Santa Rosa High School and Locklin Technical College. I'd like to extend a warm welcome to all new students who will be on campus this year. I know this 2025-2026 school year will be great!

I would like to inform everyone that there will be another school joining our site this school year. Santa Rosa Acceleration Academy will be housed at the Russell Center. Please be aware that there will be a second School Resource Officer on campus for that school. Be patient, and continue to abide by all posted Department of Transportation signs. The beginning of this school year will be busy, but I am confident we will all get through it with flying colors.
