Milton, DE 19968

The Town of Milton will be reviewing and updating its Comprehensive Plan over the next several months, starting with the first of four Planning and Zoning Commission public hearings to be held on Monday, May 12 at 6:30PM in the Milton Public Library. The contributions and comments of the residents of Milton are considered to be an integral and extremely crucial part of this process as the Plan impacts all facets of the Town of Milton, particularly its future growth. The public hearings have been scheduled on different days, both in the evening, as well as during the day, and includes a Saturday session for those who cannot attend at other times. Please check the Town website for details.

The Comprehensive Plan is a working, living document that should represent the desires and input of the majority of the residents of the Town of Milton. The public is invited, and strongly encouraged to attend these public hearings, and any other workshops that may be scheduled, so that their voices may be heard and have an impact on the future of Milton.
