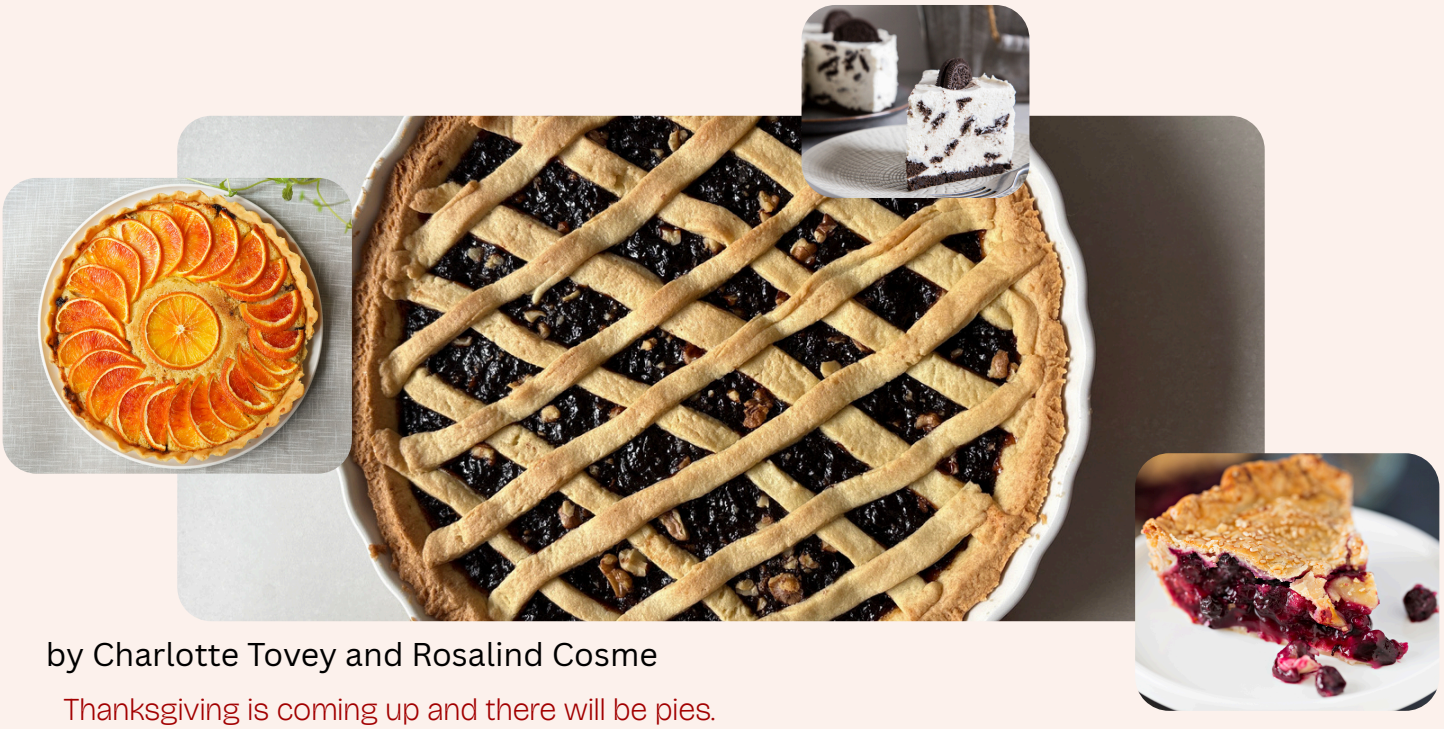
THE GREAT PIE DEBATE



by Charlotte Tovey and Rosalind Cosme

Thanksgiving is coming up and there will be pies. Do you like pies? There are so many pie flavors: apple, pecan, pumpkin, key lime,ETC. Everyone has a different opinion. We will see what pie is truly the best.

First up we have kamila in fifth grade Mrs. Kilion's class, she thinks pumpkin pie with ice cream on top. She likes that because she loves ice cream. That's one for pumpkin pie.

Next we have Anna in fifth grade Mrs. Killion. She does not have a favorite pie flavor. It is crazy.
Then we interviewed teachers
Are first teacher is Mrs. Coran she said oreo/chocolate

Then we interviewed Mr. Menecke, he said key lime pie

So far, no pie flavor is winning!!
Now we have Connor in second grade, Mrs. Salmen's class. He likes Oreo pie because his mom makes the best oreo pie.

That's two for oreo pie. Oreo pie is winning

Next we have Rosie from 5th grade Mrs. Goushas. Rosie says chocolate pie

It is a tie!!!! 2 for chocolate 2 for Oreo.
Royal in fourth grade, Mrs McCormick doesn't like pies. She doesn't like the crust and the filling doesn't taste good.
Jack in fourth grade Mrs McCormick doesn't like pies either.
Stella 4th Mrs. W Key lime pie likes the flavor
Nathen 4th Mrs. W apple because it is the only one he has tried

It's a 4 way tie!!!!!!! Key lime pie, oreo, chocolate,and no pie is the best!!!!!!That's a lot of pies

We are going to ask one final person which one of these is truly the best!

We have..... Madden, he is in First grade, Mrs. Coran's class. He says chocolate

Chocolate pie is the winner!

What is your Thanksgiving Tradition?

by Reina Goel

Hi everyone! I hope you all are enjoying the fall season! Did you know that Thanksgiving is right around the corner? So exciting! Speaking of which, we are wondering what people's traditions are for Thanksgiving. We are so excited to find out!

First, we have Anna, and she has a lot, but her favorite Thanksgiving tradition is an appetizer contest where her and her cousins team up to make the best appetizer. Next, is Bennett and his Thanksgiving tradition is and he goes to his grandparents house every year for Thanksgiving. Next we have Jazmyn and Kamila and their Thanksgiving tradition is they both go to their grandma's house. (A lot of people do that including me.) Lastly we have Rosalind, and her thanksgiving tradition is they host a party, and her grandma makes awesome food.

ICONIC STYLE *OR* CLASSIC COZINESS?

WHICH FALL STYLE MATCHES YOUR PERSONALITY AND BUDGET?

by Joey Philip and Swara Patel

It's getting chilly, so which do you think is better or more important for these chilly months, style or cozy? Personally I (Joey) would choose cozy because I love sweatshirts and cozy pajamas. I love style too but in this chilly season cozy wins. My partner Swara says that she likes cozy the best because she likes cozy stuff. Abby from Mrs.Spino's 3rd grade class says that style is better because sometimes her cozy stuff connects to things so she loves style. Monroe from 3rd grade Mrs.Spino's class says Cozy because she likes sitting by the fireplace. Audrey, also from Mrs.Spino likes style because she wants to be pretty in the winter. Next are our kids from 2nd grade Mrs.Stolls, Ciara says cozy so she can play without frostbites. Gwen says cozy because it's getting colder and cozy feels better.Emily she chooses cozy because then she won't be cold. Our two kids from Mrs.Salmen are Reign and Ruby. Reign chooses style because "it's just the way she likes to be." Ruby likes cozy because she loves being lazy. So many people say "I want to stay warm" when they choose cozy so here are some more people who want to stay warm. Hareer, and Momnia from Mrs.McCormick. Czaira and Grace from Mrs.Wrodarcyk. Matilda and Aria from Mrs.Coran. cozy.

Klarissa and Reya from Mrs.Skriba. Lena from Mrs.Kielion. And Talia from Mrs.Fors. Some more people who choose style are Royal,Rosie, Jazmyn, and Senna. Royal from Mrs.McCormick chooses style because she couldn't choose. Rosie, Jazmyn, and Senna from Mrs.Gousahas choose style because you can be cozy and stylish at the same time. Keats from Mrs.Kielion chooses style because he would feel sleepy if he was cozy. Izzy from Mrs.Chatmen chooses style because she looks pretty. Pavos from Mrs.Chatmen doesn't like either! Andy from Mrs.Skriba chooses style because she has pretty clothes at her house. And lastly, Mila from Mrs.Fors chooses style to be pretty. Now, enough of me telling you what at least two students from each class like, after all the real question is do you choose, style or cozy.

DUNKIN VS STARBUCKS

The battle of the universe

By: Stella Schrage and Fernanda Alvarez

Some people like Starbucks and some people like Dunkin, but today we are here to see which is the GOAT.

[When you read this, remember that these are just

opinions and not facts. So no hard feelings]

We both personally like Starbucks more than Dunkin'. But we have interviewed some people that may or may not agree with us. For Starbucks we have Natile, Mrs. Salmen, Mrs. Killon, and Avery. For Dunkin donuts we have Yina, Bennet, and Wren. At Starbucks, they have special drinks for holidays or seasons. For example in the summer there is the Tropical butterfly refresher or the black cat Frappuccino for halloween and for Christmas there is the Apple Pomegranate lemonade refresher. But at Dunkin they have better donuts than Starbucks. Also Dunkin has the Pumpkin patch Cloud Latte and Candy bar latte. My order at Starbucks is the Strawberry Frappuccino with extra strawberries and my order is the Blended Strawberry Acai Lemonade Refresher. Dunkin doesn't have cake pops but teachers usually have coffee from Dunkin donuts. For Halloween they have a Spider donut. It even comes in different colors! Hope your mind is blown from all of these drinks and are willing to try them! [keep the title and spider donut.

By: Kaylee Lindhorst and Cora Stewart

Would you rather pick Needohs or Dumplings? I really like both but it is now time to find which is better. Which means it is time to interview!

Next, we have Cece from Miss. McCormick's class. Cece likes Needohs better.

Then, we have Mrs. Kielion's class. We have Abrom . He likes Needohs better.

Next we have Miss. McCormick. She likes Needohs better.

Then, Miss Soukup's class. We have two dumpling lovers. Their names are Sam and Seve.

Next we have Camden. He likes Needohs better.

Now, we have Mrs. Coran likes Needohs Better.

Now, we have Mr. Mennecke and Mr Wilson. They both like needohs better! Mr. Wilson says he likes needohs better because the faces on the dumplings look weird.

In Mrs. Spino's class we have Abby she likes Needohs better

In Mrs. Skriba's class we have Cammi and Chase. They both like dumplings better.

Needohs and Dumpling are both good but overall we got more votes on Needohs.
Oh now we have the LAST interview. Her name is Wren, She likes Needohs better.
THE END!

WHEN'S THE **RIGHT** TIME TO PUT UP THOSE CHRISTMAS DECORATIONS?

by Jazymn Gilman and
Kamila Mendoa

It's a heated debate that will last forever... When do you put up your Christmas decorations before or after Thanksgiving?

Now we are going to interview some people. First is Rosalind from 5th grade, she puts her christmas decorations up before thanks giving she puts them up because she loves the christmas vibes. Next is Mia from fifth grade. She puts them up before Thanksgiving, because it feels magical.

Then from second grade is Addie. She said, "My family puts them [Christmas decorations] up after Thanksgiving because it's closer to Christmas." Then also from second grade is Maryn who said, "My family puts up Christmas decorations after thanksgiving because it would be weird to do it before because they have a lot of thanksgiving parties before Christmas."

We also spoke with a few teachers here at Westfield. First, we talked with first grade teacher, Mrs. Coran. She said she puts her decorations up before Christmas because it brings her joy and she wants the joy to last forever. Mrs. Spino, who teaches third grade, had a different opinion. She puts her Christmas decorations up after Thanksgiving, because she wants to give every holiday their moment.

At the end most people put up their Christmas decorations before Thanksgiving what do you do next time we can interview you bye. Whatever you choose to do, just know that if it makes you happy, you're doing it right.

Merry Thanksgiving
