

Appreciation to Our Amazing Staff

May 4, 2026

We want to express our deepest appreciation for the unwavering dedication you bring to our schools every single day. While we have the privilege of seeing the “big picture” of our district’s success, we recognize that our achievements are built on the thousands of individual moments of care and professionalism you provide every single day.

Being an educator or a member of the school staff is rarely just a “job.” It is a commitment to the future of North Kingstown, and the impact of your hard work resonates far beyond the classroom.

The greatness of our district doesn't just happen in one school; it is encouraged through every interaction across our district. Whether you are standing at the front of a classroom sparking a new idea, behind the wheel of a school bus ensuring a safe start to the day, serving nutritious meals in the kitchen, or coaching on the field to build character and teamwork, your role is vital in the education of our students!

When we visit the schools, we see the engagement sparked in the classrooms, the excitement from the students when they present at student showcases or perform on the stage for their families, and the talent in the work they produce.

The connections you make with our students leave a lasting impression. Those “small” moments of kindness and mentorship often become the memories that students carry with them for a lifetime.

Our schools are the heart of North Kingstown. Your commitment to excellence strengthens our community and prepares the next generation of citizens to contribute meaningfully to society.

Whether you are maintaining our facilities, managing the front office, or providing specialized support, please know that your efforts do not go unnoticed. We see the late hours, the extra prep work, and the emotional energy you invest in our children’s well-being.

Thank you for your patience, your expertise, and your heart. We are incredibly fortunate to have such a talented and compassionate team shaping the minds of our students.

Over the next week, we will be sending treats to each of the schools to celebrate and thank each of you for the hard work you do every day in the North Kingstown School Department.
