Dear Parent/Guardian,

In partnership with_____, it is our pleasure to offer on-site flu vaccinations at your student's school. Flu clinics will be offered at each school location during school hours. Health Hero flu vaccination clinics are completely voluntary and are offered to consented students, regardless of their insurance coverage. If your child is covered by PEEHIP – we cannot provide vaccinations for your child. We apologize for this inconvenience- please contact PEEHIP at 1-877-517-0020.

Why get a flu vaccine?

The best way to minimize or avoid the spread of flu is to get an annual flu vaccination. Each year, the vaccine protects against new strains; therefore, the vaccine should be administered annually.

Who is Health Hero?

Health Hero is a school-based mass vaccinator with the sole focus on delivering safe, efficient vaccination programs in schools to raise immunization rates and lower student absenteeism. Our mission is to make immunizations available to every student, helping to stop diseases like flu A and B in their tracks.

What type of vaccines will be given?

IIV injections will be available to all consented children who do not have any contra-indicators. All vaccines given are preservative-free, mercury-free, Thimerosal-free, and administered by state-licensed nurses.

What do you need to do to participate?

If you wish for your child to participate, please **COMPLETELY** fill out and sign a consent form. These forms need to be returned to your child's school by _____to secure a dose for your child.

For further information, you can also visit our website at www.healthherousa.com. We hope to see your child in the clinic!

Warmest regards,

Your Health Hero Team
