NOVEMBER ECLC NEWSLETTER

MY HOME, FAMILY, AND FRIENDS

The last month was spent learning about different home and family structures. Children spent time discussing who meant the most to them throughout their daily lives. Pictures of family members, friends, and homes were displayed all throughout classroom environments to encourage an open conversation on what these relationships mean to each child.

SAFE AND HEALTHY COMMUNITY MEMBERS

As we start the month of November, children will begin to learn about safe and healthy habits. They will explore and engage in activities that showcase how different members of our community keep us safe.

November Events

- Nov 9 - Teacher Inservice Hours: 7:00-4:00
