Start With Hello Week

Join us **September 21st – 25th** for ***Start With Hello*** **Week**, a national call-to-action week dedicated to making new social connections. Students, educators, and community members nationwide will engage in activities that promote and celebrate inclusion and connectedness each day.

"Meet and Greet Monday"

Each student will receive a name tag in their homeroom class to wear for the day. Students are encouraged to meet someone new and say hello.

"Talk It Up Tuesday"

Students will be encouraged to get to know others at their lunch table. They will be provided with a list of conversation starters. Each student can choose a question to answer about themselves.

"Wear Green Wednesday"

Students and staff are encouraged to wear green as a symbol of unity, inclusivity, and solidarity with Sandy Hook Promise.

"Thoughtful Thursday"

Students will be encouraged to take the time to write positive messages to a peer and/or teacher to make their day brighter during lunches.

"Hello Around the World Friday"

Throughout the day, students will be encouraged to learn how to say "hello" in a new language by viewing the globe in the courtyard.
