2026–2027 Back-to-School Information for Students and Parents

Dear Fayetteville-Perry Students and Parents,

Welcome to the **2026–2027 school year**! On behalf of the Fayetteville-Perry Local School District, we are excited to welcome you back for another year of learning, growth, and success. We look forward to partnering with our students and families to provide a safe, positive, and engaging educational experience for every student.

We invite all families to attend the **Fayetteville-Perry Local School District Open House** on **Monday, August 17**. Open House hours are **5:00 p.m. – 6:30 p.m.** for the **Elementary School** and **6:30 p.m. – 8:00 p.m.** for the **Middle School and High School**. This is a wonderful opportunity to meet teachers, visit classrooms, and prepare for a successful start to the school year.

As we prepare for the first day of school, please review the following important reminders:

FinalForms

Parents and students are asked to log into **FinalForms** and complete all required forms as soon as possible. Keeping this information current helps the district prepare for the school year and greatly assists with transportation planning and other student services.

Reminder: All families are encouraged to complete the **Free and Reduced Meal Application** section in FinalForms. Completing this application helps determine eligibility for meal benefits and may also assist the district in qualifying for additional state and federal funding that supports educational programs and services.

***These forms must be completed in order to receive this benefit.**

In addition, **all middle school and high school fall student-athletes must have their FinalForms completed as soon as possible, including uploading a current sports physical.**
